Good morning Sean and a BIG thank you for taking the time out of your schedule yesterday to meet with me. I have a long list of emails to send over to you and Brian - I will separate them out so it does not get lost in the shuffle, but will start with the overview, highlights, etc

I will also get started on work on Orlando and St Cloud - ideally, I would love to have you see both since they are within 30 minutes of each other.

I believe you said you are presenting on Tuesday? (Nov 8th) - not sure on the time, but will focus on getting something set up for Wednesday, Nov 9th ? Maybe one in the morning, one in the early afternoon?

Thanks and talk to you soon,

Jack

Chief Joe Pinnello yesterday. He was very responsive but as I anticipated thought it would be an argument best presented next year. In the mean time I would like to become as familiar with the program as possible so I can properly articulate our needs.

Thanks again for taking the time to come out and present. Brian Clarke and I were both very impressed with what the company is doing.
