I think that Syd and I can make it easily to your office to call Karen tomorrow.

Sydney – know it is your afternoon off, so hoping you are not reading. Wanting to catch up with you sometime this week to share what I confirmed yesterday about the project budget and shared with Beck at our weekly meeting yesterday.

Should only take about 10 minutes. Not fully sure I am coming to OAC tomorrow, but would like to me in the same space to place our call to Karen Soule. I am needing to spend time reviewing the ME/EL proposed solutions for four schools receiving improvements as part of the bond, prior to a Thursday morning meeting.
