You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.

- At any time, the USG may inspect and seize data stored on this IS.

- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.

- This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.

- Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communication and work product are private and confidential. See User Agreement for details.

If you have a CAC or PIV Card: AMPS supports certificate based authentication using Common Access Cards (CAC) issued by DoD or Personal Identity Verification Cards (PIV) issued by supported External Certificate Authority (ECA) and Federal Bridge Certificate Authority (FBCA) vendors. You must have your CAC or PIV card inserted in your computer during registration if you want to login using your CAC or PIV card. This will allow you to login without a username and password.

Attention DLA Employees or Contractors: This process is for Non-DLA users only. If you are a DLA employee or Contractor DO NOT continue with this registration. Your account in AMPS should have automatically been created when you joined DLA. If you reached the AMPS login screen it means that there is a problem with your DLA account or the computer that you are using to access AMPS. Ensure that you are accessing AMPS from the DLA network with your CAC. If the problem persists, contact the Help Desk at the number listed below.
