I will get a copy of Tiffanys CPR card. I know she has it because last year was her first year coaching, and she had t for last year.... Could it be a name change thing? Her new Name is Tiffany Andrews.

Both Coaches told me that they had all their rules testing done. Is the WIAA site saying something different?

The Alumni Game is this Saturday @ 5 PM.

According to the Office of Teaching and Learning, the following do not have valid CPR/1st Aid verification on file. Can you get that to me immediately?
