Hey Tyson/Stuart,

Even though I'm not sure of the game start time/who is home team and we might still have a few ? repertoire questions, here's an email to get us thinking about the Night Game next month.

Here are some PEP tunes (snippets) we might play:

Band Rally 1 & 2
Louie Louie
We will rock you
Gonna make you sweat – (Stu, how about we switch this for *Land of a 1000 Prances?*)
7 Nation Army
Gonna Fly Now – (Stu, how about we add this?)
Fight Song (for each school)

Tyson - we will give you a visual for what we will play just before we start – so have a spotter or keep your eyes glued on us!!!!
We will try to record PEP tunes/pieces as soon as we are good on them and email them/get them to you.
PRE-GAME – both school bands run through all short PEP tunes and Star Sp Ban (we may only have a short turn-around with the previous game going on)

Quarter/half time breaks – as below

End 1st Quarter – tbd
End 2nd Quarter = half time show
End 3rd Quarter – band+cheer(?) break
End 4th Quarter/Game – 'Band Battle of the School Fight Songs' – (both schools play their fight songs back and forth)

Half Time
CKMS Band + Cheer piece (3 mins)
RMS Band + Cheer piece (3 mins) (to be decided – either School Fight Song, Oye Como Va or Happy by Pharrel if they can play it)
CKMS Cheer piece (2 mins) – if
RMS Cheer piece (2 mins)

TTFN!
