Greetings for your NCA instructors! My name is Tyson and I will be the Instructor in charge of this camp, With me on this camp will be Mariah! We are both super excited for your up coming camp.

With that being said we have a few things to go over with you to prepare all of for camp. I know we have quite a bit of time until your camp actually starts but we wanted to get a jump start for it. We both have a pretty full camp schedule and want to make sure Ridgetop doesn't get left behind. Now on to the business side of this email. Here is a list of questions and information that I'll need from you

Once we hear back from you we will get started on a schedule and shoot you another email once the schedule is done!
