Linda,
The cheer coach never came in to order his uniforms. I left a couple hours early but I feel I gave him ample time to come in and check out the credit card. So unless he contacts the business office, I guess he'll be ordering his uniforms in August. So thank you anyway for your role in this but no uniforms were ordered.

No problem. I'll send him an email when shipment is received.

Thanks!

Linda,

The cheer uniforms will be purchased today and will be shipped to the admin building. Not really sure on the timeline of delivery, but the name on the shipment will either be yours or Tyson Ebert.

Tyson's phone is 360-633-0669 and his email is t_ebert94@yahoo.com.

If you cannot get a hold of him, or he doesn't come and get the boxes in a timely manner, call me at 360-908-9976 and I'll bug him. You shouldn't have to do that.
