Congratulations on recently completing a Cheer Stunt Certification Clinic!

Attached is the certificate verifying that you completed the Cheer Stunt Certification Clinic held at **Bellarmine Prep on May 20, 2017**. Please print your name on the top line, sign the bottom line, fill in the location and date, keep the original for your files and give a copy to your athletic director for his/her files. The stunt certification card may also be used to verify your stunt certification status.

The certification is good for three years and will expire on May 20, 2020.

Best of luck with this upcoming school year!
