Subject: New Statement from the Governor

Good morning,
The Governor just tweeted the following:

> 18m
> For all NY schools we are setting a new policy that if a student tests positive for #Coronavirus in a school, that school will be closed for a 24hr period so we can do assessment of the situation. Then a determination will be made about whether to close the school for longer.

I am fairly certain that the "we" means DOH and not individuals associated with the schools.

Stay tuned we are monitoring his feed.
Anita
