Lynn,

I emailed him about this. Hopefully he will be in today so we can take care of it.

Thanks

Megan,

When you see Tyson we need to have him sign paperwork to have a district email. He shouldn't be using his personal email for school communications.

PLEASE FORWARD TO COACH TROY:

Coach Troy,

This is Danny Saguibo, and I first introduced myself in my email to you of June 16. My

daughter is Shayla Saguibo and my email to you was to confirm Shayla's travel dates to Las Vegas to visit with me over the summer.

Shayla just informed me yesterday that she is no longer on the team. I am receiving conflicting reports from Shayla and her mother as to the reason why Shayla is no longer cheerleading. I am shocked because Shayla worked long and hard at her private lessons here over the summer to learn the back handspring and she was so excited to get back and start practice with the team.

I am writing to ask if you could please let me know the true reason Shayla is no longer on the team and whether or not payments made for the uniform back in June were timely received and if any part of the money is refundable.

Thank you very much for your time and consideration,

Danny
