Subject:	New WIAA Rules for Coach Standards (district paid assistants)

HCs,

Beginning in the Fall, all district paid assistant coaches are required to take the WIAA general and sport specific tests along with head coaches. There will be a reminder prior to your seasons but Fall coaches should get in to do those ASAP. I'm not 100% sure they are available quite yet but wanted to give you a heads-up. If you need your WIAA User ID and Password please let me know and be sure to save that somewhere if you haven't already.

Thanks.

Go Trojans!
