When: Thursday, April 4, 2019 4:30 PM-6:00 PM.

Good afternoon,

Thank you for joining us on Thursday's webinar. Attached please find the materials that we circulated earlier this week and referenced during the webinar. Based on questions and feedback we received on the webinar, we have updated the spreadsheet outlining the reporting requirements for the THIRA/SPR targets (2019 THIRASPR Target Reporting Requirements). We have also created a coversheet for that, the Target Requirement Guide. We recommend reading that guide before opening up the spreadsheet.

The attached THIRASPR Planning Questions are NOT going to be added in 2019. We will be adding those in 2020, but are circulating them now so that you can prepare.

Thank you, and have a great weekend!
