Addresses are good to go for the mailing. Pattie will be back in the office on Wednesday (she's on vacation down in CA), so I'll share with her next week to get envelopes printed up and whatnot.

Stacy,
Where do we stand with collecting all of the neighbor addresses that were highlighted in my previous email attachment? If they are collected, please ask Pattie to proceed with printing addresses on District envelopes and purchase stamps for mailing. We have targeted 3/1 to mail them.

Thanks for the reminder, Stacy,
Beck and I have a letter drafted to distribute to neighbors who live on Frontier and side streets further north.
Will you collect addresses for all of them so that we can issue the letter at the end of Feb/beginning of March?
Attached is the approximate boundary of addresses to be collected.

Weekend was great! Happy to have a work day at home in my jammies. :0) How was Bellingham?!

Neighbor addresses? Is this for the work on Frontier?
