Hi Hannah,
I wanted to let you know UCT is aware of this location and the challenges with repopulation for both RV's and tents. We will ensure the area receives trash mitigation efforts while the site is on prioritization for resolution.

Also, tomorrow there is a scheduled resolution at the N 135th St and Stone Ave N Vicinity that was publicly posted on Friday. Let me know if you have any further questions.

Subject: 95th & Ravenna Frequent Spot

Hi Ali,

I am CC'ing our Chief of Staff, Hannah Thoreson, on this email. I am starting in CM Rivera's office next week! I will no longer have access to this email.

CMCM would like to know if UCT is aware of the frequent RV's and tents that often appear on 95th and Ravenna. They often pop up behind the billboard. There is usually debris and graffiti that comes with these pop-up encampments.

Thanks, and have a great weekend!
