Subject: Regional Officer Election

Hello NV/CA Region!

Hope all is well. Now that Hallmark Award submissions are completed, a couple of reminders for regional award submissions that are due in 11 days:

- In the attached 2023 Regional Award Packet, you will find five awards unique to the NV/CA Region: two individual awards, two chapter awards, and one award for a non-member that are included in the packet. Please fill out the form for the award you and/or your chapter are applying for and email it to me with all required documents by January 31, 2024.

- A reminder that the current regional officer team has hosted workshops to give more information about running for regional office. Please view the Running for Regional Officer Video since it may help to answer some of your questions. In case you still have questions, please do not hesitate to reach out to the Regional Officers. Since we are looking for candidates to run for the 2024-2025 NV/CA Regional Board, the election process and the duties for each position can be found in our by-laws. To run for one of the 8 officer positions, you must attend a two-year college for the entire 2024-2025 academic year. The positions to be filled are:

Regional President
VP of Communications

VP of Technology
Northwest District VP
Northeast District VP
Southwest District VP
Southeast District VP
Nevada District VP

To run for one of the district VP positions, you must attend a college in that district.

Two things need to be submitted to me via email:

1. A written statement or a video of intent to run, which also describes the candidate's qualifications and reasons for the position sought. This will be posted on the region's website for the region to view.

2. The candidate must request his/her chapter advisor to email a statement verifying that the candidate is in good standing at the chapter.

The deadline for both items above is January 31, 2024, by 11:59 pm. If one of the positions has no candidate, then that position will be left vacant for the entire 2024-2025 year so do not wait for someone else to step up. You can be that person to fill that position. Trust yourself.

Note: The newly elected officers have a mandatory meeting the Sunday morning following the convention. This meeting will last until 12pm so please plan your schedule accordingly.

I think that is it for now. Looking forward to the award submittals and regional officer candidate statement :)
