Hello Chair Moore and Members of H&HS Committee,

In anticipation of upcoming legislation proposing authorization of 12-year MFTE extensions for expiring MFTE properties, OH would like to offer pre-briefings with members of the H&HS Committee to walk through the proposed legislation and respond to comments and questions in advance of the Committee meeting.

Clarissa from our team will reach out to your staff to inquire about scheduling these pre-briefings the week of April 15.

Thank you,
Kelli
