Hi Ruth,

Thank you so much for reaching out and my sincere apologies for the delay in response!

It looks like the Beta Nu Epsilon's chapter **bylaws** were approved on **09/17/2004** and the **charter date** is **12/10/2004**.

I hope this helps! Please let me know if you have any additional questions or concerns.

Best wishes,

Hi Myriam and Asia,

Thank you for your guidance! All went well and students have now received their invitations. They are very excited.

They are also convening on tomorrow to get organized in preparation for the PTK projects (The College/Community Project; HIA), and I'm creating some informational packets for them. One question has come up and I'm wondering if you have the answer, or whether you can point me in the right direction:

When was ELAC's PTK Chapter, Beta Nu Epsilon first established? Some folks are curious, as am I.

Thanks so much!

Good Morning Advisors,

Hope all is well. A reminder on how to upload your eligibility list. Here are the recommendations Erica made to us last semester:

- Students with international mailing addresses were changed to the school's mailing address. If the student decides to join, they will have the ability to update their mailing address online when completing their member application.
- Country codes were removed.
- Removed personal email addresses. Eligible student lists can only be uploaded with one email address per student.
- Removed home phone numbers. Eligible student lists can only be uploaded with one phone number per student.

Also, Christopher Bingham, cc'd on this email, is our Division IV representative. Do not hesitate to contact him if you still need assistance.

Thank you for all you do :)
