Hi Hannah,

Yes, we'd be happy to have you join onsite tomorrow to see what the work looks like in the field.

As a general rule, we limit the number of people onsite to UCT staff, however given your role, it makes sense here for you to join (but please don't spread the word).

In preparation for tomorrow, please wear plain clothing, sturdy shoes, and warm/rain gear.

Tomorrow morning, I will email you around 7:30AM (following UCT morning dispatch) with specific details about where to meet at the site and a good place to park. Right now, the plan is to meet at 9, and I will confirm that after dispatch.

Let me know if you have any questions, and appreciate your interest in seeing how the work happens on the ground.

Thank you,
Ali

Hi Ali,

Thank you for the quick response. Could I attend the scheduled resolution?

Thanks,

Hannah

Hi Hannah,
I wanted to let you know UCT is aware of this location and the challenges with repopulation for both RV's and tents. We will ensure the area receives trash mitigation efforts while the site is on prioritization for resolution.

Also, tomorrow there is a scheduled resolution at the N 135th St and Stone Ave N Vicinity that was publicly posted on Friday. Let me know if you have any further questions.

Subject: 95th & Ravenna Frequent Spot

Hi Ali,

I am CC'ing our Chief of Staff, Hannah Thoreson, on this email. I am starting in CM Rivera's office next week! I will no longer have access to this email.

CMCM would like to know if UCT is aware of the frequent RV's and tents that often appear on 95th and Ravenna. They often pop up behind the billboard. There is usually debris and graffiti that comes with these pop-up encampments.

Thanks, and have a great weekend!
