Subject: Updated Phase 2 Guidance

Hi Everyone – FYI the Phase 2 guidance (any offices and related facilities; transportation, O&M facilities, registration offices etc.) was updated with a new date of June 26, 2020. It's not like they tell you what was changed or when things are updated, but from the best I can tell the only change is now allowing communal vending, coffee etc. machines to be open. You can find the revised guidance here: https://forward.ny.gov/phase-two-industries

Thanks
Joe
