Mr. Rony H. Wall  
Associate General Counsel  
Office of General Counsel  
Texas Tech University System  
P.O. Box 45031

Dear Mr. Wall:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 690398.

Texas Tech University (the “university”) received two requests from different requestors for information related to a specified incident. The university claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the university claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. See id. §§ 552.108(a)(1), .301(e)(1)(A); see also Ex parte Pruitt, 551 S.W.2d 706 (Tex. 1977). The university states the submitted information pertains to an active criminal investigation and possible prosecution by the university’s police department and the Lubbock Police Department (the “department”). Further, the university states the department and the Lubbock County Criminal District Attorney’s Office object to release of the information because such release would interfere with the investigation and prosecution of the case. Based on these representation, we
conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(e). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the university may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
