Thank you, DM Washington – this is very helpful. I'll ask KCRHA to report back to committee in a month with similar metrics.

Regarding the PSH budget, is KCRHA receiving any city money?

Good morning, Council members. I watched the KCRHA committee meeting this morning and heard them theme of outcomes for Seattle. Attached is a outcomes report that HSD had to provide to council every quarter. My recommendation is that you ask KCRHA to come to committee each month or quarter and present on this system metrics. Let me know if you all want me to come downstairs today to walk you through this and I will make the time.
