Thanks Sasha. Can you please email Sabina the UCT scoring matrix. She is also willing to speak to officers about a jogger who was threatened with a knife by a camper in the wooded area.

Hi CMCM and Hannah,

I wanted to share this info from Ali Peters. This is regarding the Jackson Park Pea Patch encampment. Three constituents have reached out regarding this encampment, and I believe they will continue to do so until it's fully resolved. So far, these constituents have been:

- Elizabeth Paull (emailed and SM responded)
- Lorraine Phillips (emailed and SM responded)
- Sabina Havkins (CMCM met during 2/14 office hours)

There is also a Jackson Park facebook page that seems to be a way the neighbors are updating each other.

I wrote a briefing for CMCM on 2/14, attaching it in this email, and it's also in the SM JDrive folder in the "briefings" folder. This is the current information that I know about this encampment.

Subject: Jackson Golf Course Follow Up

Hi Sasha,
Wanted to follow up with information from our conversation about Jackson Golf Course.

- Due to the size of the location, Jackson site was addressed over the course of 2 days. (2/7 and 2/8).
- There were approximately 11 people on-site and over the past week 4 referrals to shelter were made, with 2 more pending shelter availability.
- Our teams continue to inspect the area deeper in the woods to provide additional shelter offers and remove them from the area.
- There are two individuals who have gotten into shelter today that still have items left at the site. UCT is working with then to transport their belongings and clean the area.

We continue to stress constituents utilizing 9-1-1 and being available to give detailed information to officers to help continue investigations.
