Subject: Lake City Mini / Albert Davis Park Update

Hi Hannah,
CM Moore had called last week concerned about Lake City Mini Park. UCT addresses this location at least once a week to ensure tents don't repopulate. We have also been in touch with the Parks Activation team and these parks are a priority for them as well. I'm happy to report they have the below summer activation plans and will have UCT support in ensuring the public space is open and accessible.

I am still working with Tom to understand if there are more things UCT can suggest to departments to make the space less attractive for campers. For the time being, having it open for Parks summer plans is the best option. For more Park activation event information, it would be best to contact Paula Hoff.
