I had spoken to Scott about it and our preference would be to deactivate it since he doesn't work here anymore. If the email bounces back, it may encourage them to go through the proper channels.

I am fine with whatever you want to do. If you are no longer referencing Kelly's mailbox we can remove it. Or we can put Kade on this to have access to it as well. The problem is that the people requesting a public records request did not follow the process. Kade and Maggie can tell us which way they want to go with this.

Looks like Kelly's mailbox is being forwarded to Maggie Reynolds. Let's see what Mark Hill wants to do. We could always have the emails forwarded to you instead or just give you access to his inbox?

Good morning Mark,

It looks like Kelly Everitt's email is still active and can receive PRR's. I'm not notified of these and could set us up for some trouble down the line if one goes 3 days without a response. Would we be able to deactivate that email so that they have to come either through me or publicrecords?

Thanks!

Hey Kade –

This came in on Tuesday directly to me, I must have missed it while I was out. Do you mind taking care of this on your end? I don't know why they're emailing Kelly's inbox directly.
