Thank you both for taking time to visit and share your work. I am sure there is more to understand and work on for school districts.
And thank you for the insights about ChatGPT!

Hi Superintendent Critchfield and Mr. Wilson,

Thank you for meeting with us today. Attached to this email is the IT sustainability sheet we discussed today. Also, below is a link to ChatGPT. You may get an at capacity message when you try to access the site. It is frequently overloaded due to the large number of people trying to use it. Usually if you try a couple of times you can get in. Please let me know if you have any questions, or if there is any other assistance I can provide. Thank you.
