2016 Community Policing Development (CPD) Award Terms and Conditions

By signing the Award Document to accept this Community Policing Development (CPD) Program award, your agency agrees to abide by the following award terms and conditions:

1. **Award Owner’s Manual.** The recipient agrees to comply with the terms and conditions in the 2016 CPD Program Award Owner’s Manual; COPS Office statute (42 U.S.C. § 3796dd, et seq.); the requirements of 2 C.F.R. Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101; 48 C.F.R. Part 31 (FAR Part 31) as applicable (Contract Cost Principles and Procedures); representations made in the CPD award application; and all other applicable program requirements, laws, orders, regulations, or circulars.

2. **Assurances and Certifications.** The recipient acknowledges its agreement to comply with the Assurances and Certifications forms that were signed as part of its CPD application.

3. **Allowable Costs.** The funding under this project is for the payment of approved costs for Community Policing Development purposes. The allowable costs for which your agency’s award has been approved are limited to those listed on the Financial Clearance Memorandum, which is included in your agency’s award package. The Financial Clearance Memorandum specifies the costs that your agency is allowed to fund with your Community Policing Development award. It also describes any costs which have been disallowed after review of your proposed budget. The recipient may not earn or keep any profit resulting from this award unless expressly authorized in writing by the COPS Office. Your agency may not use Community Policing Development award funds for any costs that are not identified as allowable in the Financial Clearance Memorandum.

4. **Supplementing, Not Supplanting.** State, local, and tribal government recipients must use Community Policing Development funds to supplement, and not supplant, state, local, or Bureau of Indian Affairs (BIA) funds that are already committed or otherwise would have been committed for award purposes (hiring, training, purchases, and/or activities) during the award period. In other words, state, local, and tribal government recipients may not use COPS Office funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS Office-funded item(s) in the absence of the COPS Office award.

5. **Extensions.** Your agency may request an extension of the award period to receive additional time to implement your award program. Such extensions do not provide additional funding. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award.

6. **Modifications.** Award modifications under the Community Policing Development program are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of $150,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office.

7. **Evaluations.** The COPS Office may conduct monitoring or sponsor national evaluations of the CPD Program. The recipient agrees to cooperate with the monitors and evaluators.

8. **Reports/Performance Goals.** To assist the COPS Office in monitoring and tracking the performance of your award, your agency will be responsible for submitting quarterly programmatic progress reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). The progress report is used to track your agency’s progress toward implementing community policing strategies and to collect data to gauge the effectiveness of increasing your agency’s community policing capacity through COPS Office funding.

9. **Award Monitoring Activities.** Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a CPD recipient, you agree to cooperate with and respond to any requests for information pertaining to your award.

10. **Federal Civil Rights Laws.** As a condition of receipt of federal financial assistance, you acknowledge and agree that you will not (and will require any subrecipients, contractors, successors, transferees, and assignees not to), on the grounds of race, color, religion, national origin (which includes...
11. **Equal Employment Opportunity Plan (EEOP).** All recipients of funding from the COPS Office must comply with the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan (28 C.F.R. Part 42 subpart E).

12. **False Statements.** False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, or debarment from participating in federal awards or contracts, and/or any other remedy available by law.

13. **Duplicative Funding.** The recipient understands and agrees to notify the COPS Office if it receives, from any other source, funding for the same item or service also funded under this award.

14. **Additional High-Risk Recipient Requirements.** The recipient agrees to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk recipient (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.207 as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101).

15. **System for Award Management (SAM) and Universal Identifier Requirements.** The Office of Management and Budget requires federal agencies to include the following standard award term in all awards and cooperative agreements made on or after October 1, 2010:

   A. **Requirement for System for Award Management (SAM)**
      Unless you are exempted from this requirement under 2 C.F.R.       1. General Reporting Requirement
         If the total value of your currently active awards, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds $10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2. of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.
      2. Proceedings About Which You Must Report
         Submit the information required about each proceeding that:
         a. Is in connection with the award or performance of an award, cooperative agreement, or procurement contract from the Federal Government;

Any other criminal, civil, or administrative proceeding if:

i. It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;

ii. It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

iii. The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2. of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1. of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, award, and cooperative agreement awards with a cumulative total value greater than $10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

25. Computer Network Requirement. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

26. Travel Costs. Travel costs for transportation, lodging and subsistence, and related items are allowable under the CPD Program with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. § 200.474 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101.

27. Sole Source Justification. CPD recipients who have been awarded funding for the procurement of an item (or group of items) or service in excess of $150,000, and who plan to seek approval for use of a noncompetitive procurement process must provide a written sole source justification to the COPS Office for approval prior to obligating, expending, or drawing down award funds for that item or service.

This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to [http://it.ojp.gov/default.aspx?area=policyAndPractice&page=1046](http://it.ojp.gov/default.aspx?area=policyAndPractice&page=1046).

31. **News Media.** The recipient agrees to comply with the COPS Office policy on contact with the news media. The policy establishes the COPS Office Communications Division as the principal point of contact for the news media for issues relevant to the COPS Office or parameters of this award. The recipient agrees to refer all media inquiries on these topics directly to the COPS Office Communications Division at 202-514-9079.

32. **Paperwork Reduction Act (PWRA).** The recipient agrees, if required, to submit all surveys, interview protocols, and other information collections funded by this award to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PWRA) of 1995.

Maintenance agreements (if applicable) must be purchased and paid in full within the award period. Prior to the obligation, expenditure or drawdown of award funds for non-competitive contracts in excess of $150,000, recipient must submit a sole source justification to the COPS Office for review and approval. Prior to the obligation, expenditure, or drawdown of award funds for consultant fees in excess of $650 per day when the consultant is hired through a noncompetitive bidding process, approval must be obtained from the COPS Office. If the vendor number on this form differs from the EIN number included in your application, then for administrative purposes only, we are assigning a different vendor number to your agency.
