Subject: NYS Hand Sanitizer

Good afternoon,
Last email of the day –

The HSR team has inquired today how to procure the NYS Clean Hand Sanitizer Governor Cuomo discussed this week. The procurement process and ordering structure is still very preliminary but here is what we know:
If school districts are interested in procuring the NYS Hand Sanitizer that Corcraft will manufacture, school district personnel should reach out to their County Emergency Management Office to indicate they are interested.

They will give you an email address to submit orders. Requests have to go through County Emergency Management Offices.

Albany County Emergency Manager info is below:
