Good morning,

I know some of you may have received this Cyber Security Seminar Invitation already from the NERIC DSP service, but I wanted to reach out to you about this and let you know that we specifically scheduled this seminar for the morning of the 9/27, so you can attend both the seminar and the CUSBO meeting back to back.

Please let me know if there are any questions.

Thank you and good luck with the start of school!

NYSIR Risk Management and NERIC present a No Cost Seminar on

Assessing and Controlling Cyber Security Risks

The mystery of the Cyber world will be unraveled at this seminar. What vulnerabilities does your District or BOCES face from cyber threats? How well are you protecting Personally Identifiable Information (PII)? This and more will be covered. We will be demonstrating our new Cyber Self-Assessment Tool for PII – please bring your laptop or notebook with Excel to the seminar.

Who Should Attend: Senior District Administration; Building Administrators; District IT Administrators and Staff; Other District Administrators, Directors and Managers.

Topics to be Covered:

- Cyber Security vs. Information Security
- Threats and Vulnerabilities and "The Weakest Link"
- NIST Cybersecurity Framework and Other NIST Tools
- How to apply the tools in a "hands-on, interactive" workshop focusing on protecting PII
- Protecting against Phishing and Malware Attacks

Date and Location:
