Good morning everyone,

I sent a recurring WebEx invitation to your group yesterday for daily meetings. Please note that the initial invitation had a meeting scheduled for today. There will not be a meeting today. **MEETINGS WILL BEGIN WEDNESDAY, MARCH 25.**

The link to join will remain the same each day and you should receive an email reminder 15 minutes before each meeting. I have not set it up to have participants muted upon entry but you will have the ability to mute yourself during the conversation.

Let me know if you have any questions.
Thank you!
Monica

Subject: Daily Updates Mtgs. for SBO's

Dear Colleagues,

As the impact of the Covid-19 virus continues to interrupt normal operations on a daily basis, it is important that all of us stay connected and in touch as a region. For the last two weeks all local Superintendents have been part of a daily WebEx meeting, led by District Superintendent Anita Murphy. These meetings have been invaluable for our region, providing a single source of information and a platform for everyone to stay connected with what others are doing as well as an opportunity to ask questions

Since these ever-changing operational circumstances have an impact on everything we do, the Superintendents have requested that regular WebEx meetings be established for Instructional Administrators, Business Officials, Technology Directors and Human Resource Administrators. Lauren Gemmill is coordinating the instructional leaders on her side. I have been asked to coordinate these meetings for the Business Administrators and the Human Resource Directors. Mike Doughty is coordinating with the tech directors.

A schedule has been set up for daily WebEx meetings for each group, which you will receive an email invitation separately. The invitation will have all of the call in information needed.

The purpose of these meetings to is to ensure that all components of school operations are executed with a regional strategy and with everyone fully informed. I would strongly encourage you to actively participate in these calls.

Thank you,

Mark Jones
Deputy District Superintendent and COO
