Additional thoughts:

- **Once floors are clean we will put tape on the floor to identify where desks will go and stay**
- **Can bookcases go in the hall????**
- **Bookcases on counters by windows**
- **Teachers will leave the majority of their materials in their current room. Priority Boxes with additional materials will be marked with a neon yellow sign. The goal will be to put as many of these in the new classroom as possible. Anything that doesn't fit, will be in a location that is easily accessed by the teacher.**

- **Excess furniture will be stored**
