Re: January 15, 2025 Right to Know Request

Dear Mr. Steinbaugh,

I am an open records officer for the Allegheny County District Attorney's Office. On January 15, 2025, I received your right to know request seeking:

Any training materials (including slides, powerpoint presentations, and handouts) presented or shared during the January 2025 "Combating Antisemitism" training [].

I am writing to you to let you know that, under Section 902(a) of the Right to Know Law (RTKL), I am authorized to invoke one 30-day extension of time in which to respond to your request. I do hereby invoke such an extension. The reasons for this include staffing limitations and the time needed to retrieve and review potentially responsive records.

I expect to respond to your request on or before February 14, 2025.

Very truly yours,

A handwritten signature in blue ink that reads "Daniel A. Vernacchio". The signature is fluid and cursive, with the first name "Daniel" being the most prominent.
