Subject: NYS Clean Hand Sanitizer

Good afternoon,

The Capital Region BOCES Health-Safety-Risk team inquired today how to procure the NYS Clean Hand Sanitizer Governor Cuomo discussed this week. The procurement process and ordering structure is still very preliminary. Here is what is known:

If school districts are interested in procuring the NYS Hand Sanitizer that Corcraft will manufacture, school district personnel should reach out to their County Emergency Management Office. They will give you an email address to submit orders. Requests have to go through County Emergency Management Offices.

The State has not provided specific details to the OEM offices yet but it may be prudent for districts to inquire with OEM now. Especially if you may not receive the previously ordered hand sanitizer supplies for some time.
