Subject: [Reminder] Critical Infrastructure Resilience Sub-Committee Meeting

Team – A reminder and apologies for any confusion. Please join us either in person or by phone at 1300 (1pm) MOUNTAIN time - - 1200 PACIFIC time. The agenda reflects mountain time; however, the original outlook invitation went out over pacific time. Apologies for any confusion.

Looking forward to the discussion!

Best/

Barrett

CIRSC Team,

Please join us next week for the quarterly CIRSC meeting – this time in Idaho or on your desktop via webinar. We have a light but very strong agenda and will also be addressing the future of the CIRSC to include timeline, objectives and an updated charter. As promised, we will also stream via webinar. Please keep in mind that the acoustics in the Brooks Auditorium is not ideal for a teleconference, so those planning on dialing in may not get the best sound.

Looking forward to connecting with everyone next week.

Best regards,

Barrett
