1:00 – 1:15 **Welcome, Introductions, and Opening Remarks**
Barrett Adams-Simmons, Stakeholder Engagement, CISA Region 10
Thomas Wilder, Protective Security Advisor, Alaska, CISA Region 10
Mike Sutton, Director, Alaska Division of Homeland Security and Emergency Management

1:15 – 1:30 **Cyber Threat Overview**
Bill Walton, Federal Bureau of Investigation (FBI), Supervisory Special Agent, Alaska Cyber Task Force

1:30 – 2:00 **Petro Star Inc.** – *Lev Yampolsky, Vice President Logistics and Terminal Operations*
Petro Star Inc. fills a unique role in Alaska's petroleum market. While other Alaska refineries were processing a wide variety of petroleum products, Petro Star's founders recognized the need for a refinery that would process only mid-end distillates such as heating oil, diesel, and aviation fuels for homes and businesses in Alaska.

2:00 – 2:30 **Marathon Petroleum (formerly Andeavor) –** *Casey Sullivan, Government and Public Affairs Manager*

	Marathon Petroleum Corporation is a leading, integrated, downstream energy company. The company operates the nation's largest refining system with more than 3 million barrels per day of crude oil capacity across 16 refineries. Speedway LLC, a Marathon Petroleum subsidiary, owns and operates retail convenience stores across the U.S. Marathon Petroleum also owns the general partner and majority limited partner interests in two midstream companies, MPLX LP and Andeavor Logistics LP, which own and operate gathering, processing, and fractionation assets, as well as crude oil and light products transportation and logistics infrastructure.
2:30 – 2:45	Break
2:45 – 3:15	**Alaska Oil and Gas Association (AOGA)** – *Patrick N. Bergt, Regulatory and Legal Affairs Manager* AOGA is a professional trade association whose mission is to foster the long-term viability of the oil and gas industry for the benefits of all Alaskans. We represent the majority of companies that are exploring, developing, producing, refining, or marketing oil and gas on the North Slope, in the Cook Inlet, and in the offshore areas of Alaska.
3:15 – 4:00	**Panel Discussion**
4:00 – 4:15	**CIRSC Way Ahead and Closing Remarks**
