Good morning,

Please forward this invite to your state, territory, tribal, and UASI partners. On Monday, April 8, 2019, FEMA will be hosting a Webinar on the Release of the 2019 THIRA/SPR Targets and Methodology Update. During this webinar FEMA will review the Prevention, Protection, and Mitigation standardized targets for the THIRA/SPR, provide an overview of additional updates to the THIRA/SPR methodology, discuss available tools and resources to help communities complete the THIRA/SPR, and address questions from participants. FEMA will also record this webinar and make it available to communities that are not able to participate live. FEMA will host this same webinar the first time on April 4, 2018 at 12:30 p.m. ET, but participants do not need to attend both.

Conference line details are below:
