RE: Open Records Request Response; Bernadette Feazell (12.12.23)
ORR ID: BV121223BF

Dear Ms. Feazell:

This letter is in response to your open records request received by the City of Bruceville-Eddy ("City") on December 12, 2023, in which you requested: copies of the envelopes from Grice as well as the day and time a call was received from Chris Eubanks about Justin.

In response to your request set forth above, the City has completed a search for responsive documents and has found no documents in its possession responsive to your request. Because the City has fully responded to your request, your request is now closed.

Very truly yours,
MESSER & FORT, PLLC
