Subject: SEBB Open Enrollment: Do you have dependents?

<https://politemail.ckschools.org/PoliteMail/images/InsuranceBenefitsUpdate_resized.png>

Open enrollment for SEBB is underway now and is online only.

Enrollment for family members is not automatic! You must specifically enroll a spouse, state-registered domestic partner, or any dependent children when you complete your own enrollment.

<[https://politemail.ckschools.org/PoliteMail/images/dependents\(1\).png](https://politemail.ckschools.org/PoliteMail/images/dependents(1).png)>

There is no additional cost to add family members to your dental and vision coverage; monthly premiums

<https://politemail.ckschools.org/PoliteMail/default.aspx?page=AsjhiBzZ6EiV_SZi80-K4g&ref_id=TcNLgmcjKU-9szdXbxUHdA> apply to medical plans.

<<https://politemail.ckschools.org/PoliteMail/images/verification.png>>

To enroll an eligible family member, you'll need to provide: name, date of birth, social security number and verification documents

<https://politemail.ckschools.org/PoliteMail/default.aspx?page=2qwm_M2TxEiVJc8yNAfD_w&ref_id=TcNLgmcjKU-9szdXbxUHdA> . Verification is required.

Don't miss this important step! Dependents will not be added unless they are verified by November 15.

<<https://politemail.ckschools.org/PoliteMail/images/surcharge.png>>

If you are enrolling a spouse or state-registered domestic partner in a medial plan, you must complete an attestation regarding eligibility for other coverage. You may be required to pay a surcharge

<https://politemail.ckschools.org/PoliteMail/default.aspx?page=ySurnrK8BUyOAAqMvvNxNg&ref_id=TcNLgmcjKU-9szdXbxUHdA> .

Our new insurance plans will begin on January 1, 2020. All employees must take action during open enrollment (even if you plan to waive coverage). If you haven't gotten started, find ALL the information you'll need on the SEBB webpage

<https://politemail.ckschools.org/PoliteMail/default.aspx?page=lbErV_lktOCT2dRiYsBwLw&ref_id=TcNLgmcjKU-9szdXbxUHdA> .

Subject: [REDACTED]. Safety and Academic Support Concerns

Mr. Monroe,

We are reaching out to you at this time to follow up on a conversation [REDACTED] had with Mr. Johnson Friday morning before school, 11/8/19. During this conversation, [REDACTED] requested that [REDACTED]'s teachers be asked to email us in an effort to support her learning during this time of absence from school. Our goal was to make sure we were provided with clear learning expectations so we could help her continue progressing academically while we support her intense emotional needs at this time. Mr. Johnson stated he would contact her teachers and notify them of this request. As of today, 11/9/19 we have confirmation from [REDACTED]'s teachers that no such contact was made requesting them to provide us with needed academic information.

We continue to make efforts at working with CKHS administration only to end up with them failing to do their part. We are gravely concerned at this lack of follow through during a time of such serious safety issues within CKHS. This lack of effort makes it clear to us that [REDACTED]'s education and safety are not viewed as a priority by the administration at CKHS. We would expect a situation of this magnitude to be considered high priority and that we would see genuine effort to support our daughter. We are incredibly disturbed not only as parents by what we are experiencing but also as district employees by what we know should be happening in a situation such as this.

Due to the inability of CKHS administration to not only keep our daughter safe at school but to now make no effort to support her academic learning needs, we are making our first request. We are asking that Central Kitsap School District provide a daily in home tutor to support and accommodate [REDACTED]'s academic and special needs. We are requesting that this support be initiated as soon as possible.

We plan to meet with you on Tuesday as was discussed. We are working on a time that will allow us both to meet with the you and have care for [REDACTED] while we are away.

Sincerely,

█ and █ █

Subject: [REDACTED] Safety and Academic Support Concerns

Mr. Monroe,

We are reaching out to you at this time to follow up on a conversation [REDACTED] had with Mr. Johnson Friday morning before school, 11/8/19. During this conversation, [REDACTED] requested that [REDACTED]'s teachers be asked to email us in an effort to support her learning during this time of absence from school. Our goal was to make sure we were provided with clear learning expectations so we could help her continue progressing academically while we support her intense emotional needs at this time. Mr. Johnson stated he would contact her teachers and notify them of this request. As of today, 11/9/19 we have confirmation from [REDACTED]'s teachers that no such contact was made requesting them to provide us with needed academic information.

We continue to make efforts at working with CKHS administration only to end up with them failing to do their part. We are gravely concerned at this lack of follow through during a time of such serious safety issues within CKHS. This lack of effort makes it clear to us that [REDACTED]'s education and safety are not viewed as a priority by the administration at CKHS. We would expect a situation of this magnitude to be considered high priority and that we would see genuine effort to support our daughter. We are incredibly disturbed not only as parents by what we are experiencing but also as district employees by what we know should be happening in a situation such as this.

Due to the inability of CKHS administration to not only keep our daughter safe at school but to now make no effort to support her academic learning needs, we are making our first request. We are asking that Central Kitsap School District provide a daily in home tutor to support and accommodate [REDACTED]'s academic and special needs. We are requesting that this support be initiated as soon as possible.

We plan to meet with you on Tuesday as was discussed. We are working on a time that will allow us both to meet with the you and have care for [REDACTED] while we are away.

Sincerely,

█ and █ █

Subject: Notice of Representation & Request for Meeting Agenda - ██████████/CKSD

Good afternoon, I am writing to let you know that our firm is representing the ██████████ with regard to ██████████'s assault at CKHS and educational programming.

██████████ (cc'd here) have let us know there is a meeting planned for Tuesday but the time has not yet been set. I expect our involvement may complicate scheduling, but please let us know asap when the meeting can take place and send an agenda in advance.

Either me or my colleague, Whitney (also cc'd) will attend with the ██████████ and we ask that you forward all communication going forward through our office. Likewise, please let us know if the district is retaining counsel and, if so, with whom we should be in contact.

I am also reiterating here our clients' request for 2 hrs/day of home tutoring effective immediately while we figure out ██████████'s educational programming going forward and how to keep her safe at school.

There have been conversations about the video from 11/6 and we want to make a formal request for that footage under the PRA and to ensure that any footage related to this incident has been pulled and set aside.

Thank you for your quick attention to this matter and we look forward to working with you.

there is a meeting planned for Tuesday but the time has not yet been set. I expect our involvement may complicate scheduling, but please let us know asap when the meeting can take place and send an agenda in advance.

Either me or my colleague, Whitney (also cc'd) will attend with the [REDACTED] and we ask that you forward all communication going forward through our office. Likewise, please let us know if the district is retaining counsel and, if so, with whom we should be in contact.

I am also reiterating here our clients' request for 2 hrs/day of home tutoring effective immediately while we figure out [REDACTED]'s educational programming going forward and how to keep her safe at school.

There have been conversations about the video from 11/6 and we want to make a formal request for that footage under the PRA and to ensure that any footage related to this incident has been pulled and set aside.

Thank you for your quick attention to this matter and we look forward to working with you.

Hello Whitney,

I am writing to respond with an estimate to your initial request that was contained in the email sent last week for video – also noted as No. 2 here – even though I know you have requested it here as part of this process, I'd like to keep the other part proper as well.

As we talked about on the phone, the video has been pulled, and we are currently reviewing and editing down to the appropriate parts for review. We estimate that we will have video ready for your review on December 6, 2019.

Call or email me anytime if any questions. I'll provide a formal response to the remainder of your requested items tomorrow.
