Hello All,

I touched base with [REDACTED]'s parents at conferences. She has gone to music one time since she started having issues. At conferences, we discussed that it might be good for her to continue getting some time to bond with Ms. Sanlin and a friend. Some suggestions were: coloring, reading with her, coming into class to work next to her, etc. We agreed that this will help [REDACTED] become more comfortable with the idea of returning to music full time.

On Monday this week, right when we were lining up, [REDACTED] started crying and begged not to go to music. She wanted to go help Ms Ketterling again. At the time we did not know there was a sub in music, so she went to help Ms Ketterling's class. She expressed her anxiety about getting in trouble again. Just something to think about. Maybe strengthening that bond will help ease her worries.

Let's touch base again before Thanksgiving Break to see how things are going. Let me know if there are any other concerns or questions.

Thanks!
Sara

Does that mean you don't need me to ask Keith about it? Sorry, I'm easily confused...

Hi,

Veterans Day is a special time for our military and veterans. The United States Navy Color Guard Flag Unit is unavailable for our Veterans Day School Assembly on November 8th at 1:50 p.m. Is your husband still a Boy Scout leader and would he interested in helping us?

Thanks,
Cheryl

Hi Cheryl,

I just got your message and have passed your Destiny password issue on to DIS to take a look at. As far as resources go, I'm not sure exactly what you are looking for. Kurt can show you the different resources we have, such as webpath express, Overdrive/Sora ebooks, etc.

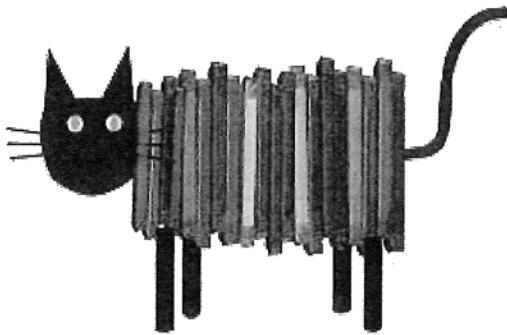

If you are looking for Media library materials, once you are able to login to Destiny, you will see a box for the Media & Curriculum Prof. Library. Make sure to check it and then when you search for something, items from this collection will come up.

Location Hawk Elementary at Jackson Park ▼
 Media & Curriculum Prof. Library

If you find a specific, model, or kit that you're interested in from the Media Library, there will be an icon called "Book it" that you can click on. Media Library items can be reserved any time throughout the school year!

If you have any questions, let me know. I will follow up with DIS about your password...
