Kathie,

Can you please send this out to all staff?

Thanks,

K

Subject: Isolation and Restraint Policy

FYI,

On Initial IEPs the Isolation and Restraint Policy is printing in between the Consent for Initial Placement and the IEP Participants Signatures. GoalView will correct this and have the Isolation and Restraint Policy print before the Consent for Initial Placement. I've asked that the Consent for Initial Placement and IEP Participants Signatures print one page. This was how it was previously.

Thank you Dawn for catching this.
