Parent Excusal Cannot be made after IEP Meeting has been held.

· Isolation and Restraint will print out before the IEP signature page.

When did we hear that these were done? Did we know they would be in this build??

FYI

There were a few changes to GoalView made during the maintenance build.

• The menu tree is in alpha order with a couple of process out of alpha order at the top. Icons have changed. Our Special Ed Data is towards the bottom of the menu tree.

• New Smarter Balance Test fields add to the IEP State Tests Folder.

• Parent Excusal Cannot be made after IEP Meeting has been held.

• Isolation and Restraint will print out before the IEP signature page.
