FYI

There were a few changes to GoalView made during the maintenance build.

- The menu tree is in alpha order with a couple of process out of alpha order at the top. Icons have changed. Our Special Ed Data is towards the bottom of the menu tree.
- New Smarter Balance Test fields add to the IEP State Tests Folder.
- Parent Excusal Cannot be made after IEP Meeting has been held.
- Isolation and Restraint will print out before the IEP signature page.
