Subject: December 2013 Policy & Legal News

The December 2013 issue of *Policy & Legal News* features articles on:

- Discretionary new epinephrine autoinjector law allows districts to maintain and administer their own supply of epinephrine autoinjectors
- WSSDA issues new policy regarding transgender students
- New policy on isolation and restraint of students with IEPs and Section 504 plans
- Court of Appeals finds district not negligent in paranoid schizophrenic student's shooting of fellow student
- Resources for implementing your district's K-12 Highly Capable Program
- State Auditor's Office findings in school districts in 2013

We will be switching from bi-monthly publication to a quarterly publication beginning 2014. The new publication schedule is: February; May; August; and November. We welcome your questions, comments, and suggestions. Please contact our office Monday through Friday 8:00 a.m. to 5:00 p.m. at (360) 252-3018.

Have a joyful holiday season!
