Thanks, Kathie.

I don't think most folks will notice these changes.

Do you?

Kathryn,

Here is the building for GoalView tonight.

Case 236 is the fix we requested that affects Initial IEPs only. Currently on Initial IEPs, the isolation and restraint prints between the Consent for Initial Placement and the IEP Participants Signature page.

Case 199 should not pertain to us as we had the original enhancement removed from our system due to bad wording and the business rule error.

Dear GoalView Manager:

We wanted to let you know the following cases have been completed & will be posted to your Live site during the 3/18/15 Build tonight:

| Case | Release Notes   |
|------|---|
| 236  | Form: IEP<br>Section: output<br><br>Updated the IEP so that if it is an Initial, the "Consent for Initial Placement" paragraph will print on the same page with the signatures (section 12) and the "Isolation and Restraint Policy" letter will print prior to this on it's own page.  |
| 199  | Form: IEP/<br>Section 10: Services<br><br>1) Changed the static text radiolist label "Does the IEP contain an explanation of the extent, if any, to which the student will not participate with nondisabled students in the general education classroom and extracurricular and nonacademic activities?"<br>TO:<br>"Will the student have the opportunity to participate with nondisabled students in the general education classroom and extracurricular and nonacademic activities?"<br><br>2) Changed the radiolist option labels, below item #1 above, from "Yes <studentname>..." and "No <studentname>..." to "?", "Yes", and "No"<br><br>3) Changed the existing rule on the "explain" autotext beneath the radiolist in item #2 above to be always required.<br><br>4) Changed the existing error message text "ERROR...You must explain the lack of participation with non-disabled students."<br>TO:<br>"ERROR...You must explain the extent to which the student will not participate with non-disabled students." |
