I believe we do. I can search for it in the near future. I would refer you to Cheryl for a quicker answer.

Thank you, Joe Vlach

Do you know if we have school board policy on restraint/isolation? If so, we should review as the rules are changing. ☺

Happy Wednesday,

I was wondering if you might be able to send me a copy of your district's use of restraint/isolation policy. I recently discovered that we do not have a policy in place and will obviously need to have one adopted.

Thanks much in advance for your help!
~Julie
