Hi Megan

████████ said that the uniforms have come in. Thank you for telling the girls you wanted to check the sizes first. I hope the following will help you. I asked MacKenna to forward it to me.

Also, it looks like ██████████ actually ordered a size 6.5 Cheer shoe. ██████████ said that you were the one fixing this for her. Thank you for doing that.

I am pretty sure another girl grabbed her shoes, as they run big. Apparently Tyson just threw the shoes into a pile, and told the girls to grab their shoes. He never had the order form to check who got which size. When I asked him about ██████████ getting the wrong size, he said it was her fault and that I would have to return them, because he wouldn't. He then told me he didn't have their sizes of what they ordered and he would have to email Kat. Then he told ██████████ that if they got their uniforms before her shoes got corrected, that he was going to bench her for being out of uniform, even if she wore last years shoes.

Based on what happened to ██████████ I would be willing to bet there are a few girls in the wrong size shoe.

As for the pink poms, I do not have them, I have also asked MacKenna, and she doesn't have them either. If they are not in the Cheer locker, then they were probably thrown out by Tyson. He made it clear numerous times that he didn't like them.

Last year I made the pink poms for the girls. However I do not have enough time this year before the Night Game, to make the team a new set.

Thanks
Julie

Hey Tyson & Mackenna,

I wanted to include you both on this to make sure we can get the PO and submit the order ASAP for you guys 😊

I have added [REDACTED] 92s sizes to complete the order. Tyson, I need to get a shipping address from you. If the school will be closed even for one week during the summer, it would be best to have this order shipped else where (someone's home address) to make sure the order is received. This order will come in at least 4 separate shipments, maybe 5.

Please review both documents for accuracy on my end for entering all of the details, color set up, names and sizes.

Lastly, what is the NEED BY DATE for all of these items?

Let me know if you have any questions or see any changes that need to be made!\

Hi Julie,

Thank you for your email and the attachments, they will definitely help. I have emailed Kat at Varsity about returning the shoes and also given her [REDACTED] true size. Hopefully the ship time on those will be fast- I will keep you updated. I cannot speak for anything [REDACTED] was told before I began attending practices, but I can assure you she will not be benched for wearing the wrong shoes.

I appreciate you taking the time to look for the poms; I know how big a job it is to make them for an entire team. I will continue looking here and hope they turn up.

Have a great day.

Hey Tyson & Mackenna,

I wanted to include you both on this to make sure we can get the PO and submit the order ASAP for you guys 😊

I have added [REDACTED] sizes to complete the order. Tyson, I need to get a shipping address from you. If the school will be closed even for one week during the summer, it would be best to have this order shipped else where (someone's home address) to make sure the order is received. This order will come in at least 4 separate shipments, maybe 5.

Please review both documents for accuracy on my end for entering all of the details, color set up, names and sizes.

Lastly, what is the NEED BY DATE for all of these items?

Let me know if you have any questions or see any changes that need to be made!\

Cheers,

I received her check on 6/23/17 at 1:34pm for \$354.00. As I understand it, the check was NSF, but she quit cheer before uniforms were ordered, so the business office just took that fine off. I do not know when she informed Tyson she was quitting.

Thank you,

Ms. Ladrillono,

Thank you so much for responding to my inquiry. I suspect it was not [REDACTED] choice to drop cheerleading, as [REDACTED] worked long and hard at her private lessons here over the summer to learn the back handspring and she was so excited to get back and start practice with the team.

Please thank Coach Tyson for his hard work and for allowing [REDACTED] to join the team.

Thank you also for the information regarding the payment. I will follow up with [REDACTED] mother on this, as I forwarded my payment for the uniform directly to her.

Thank you for your time,

Hi Mr. [REDACTED]

My name is Megan Ladrillono, and I am the Dean of Students as well as the athletic director at Ridgetop Middle School. I received your email about [REDACTED] status on the cheer team. I spoke with Coach Tyson, and it is my understanding that [REDACTED] aunt contacted him to let him know [REDACTED] would not be returning to the team this school year.

It is also my understanding that the payment made for [REDACTED] uniform was returned for insufficient funds, so at this time, there would be nothing to refund from her account.

Please let me know if there is anything I can do. Spring sports will be starting in a few months if [REDACTED] would like plan to come out for a sport then.

Take care and have a great day.

PLEASE FORWARD TO COACH TROY:

Coach Troy,

This is [REDACTED] [REDACTED] and I first introduced myself in my email to you of June 16. My daughter is [REDACTED] [REDACTED] and my email to you was to confirm [REDACTED] travel dates to Las Vegas to visit with me over the summer.

[REDACTED] just informed me yesterday that she is no longer on the team. I am receiving conflicting reports from [REDACTED] and her mother as to the reason why [REDACTED] is no longer cheerleading. I am shocked because [REDACTED] worked long and hard at her private lessons here over the summer to learn the back handspring and she was so excited to get back and start practice with the team.

I am writing to ask if you could please let me know the true reason [REDACTED] is no longer on the team and whether or not payments made for the uniform back in June were timely received and if any part of the money is refundable.

Thank you very much for your time and consideration,

Laurie,

[REDACTED] ID [REDACTED], has an NSF check for \$354.00. I have confirmation from the cheer coach, Tyson Ebert, that [REDACTED] is no longer on the cheer team and that no uniform has or had been ordered or paid.

The NSF check can be cleared from InTouch, if you please. Hopefully it's this simple.

Tyson,

Wanted to let you know that [REDACTED] [REDACTED] check did not clear and now has a NSF status. The business office tried calling the family, but could not get through and their voice mail is not set up.

We're hoping that you have some good contact information for the family and can get a hold of them to pay for their uniform. They can come to the school and pay with cash or credit card or they can go to the business office and pay with cash or credit card. We cannot accept a check for a NSF check.

So, this will hold up payment for the uniforms. We have to wait for the family to pay. Please let me know what you find out.

Tyson,

I was wrong on the address. USPS or FedEx can't deliver to a PO Box. The address is 9210 Silverdale, WA 98383.

The address of the district office is Central Kitsap School District, PO Box 8, Silverdale, WA 98383.

The person who will be receiving the shipment will be Linda Chissus. She sits at the front desk inside the main doors. I will give her your contact information. She knows this is happening.

Dara,

If the cheer uniforms are shipped to the school, wouldn't Tyler, the cheer coach, be able to come into the building in the summer and get his order? I'm sure Lynn gave him a front door key and an alarm code and the end-of-year sheet showing building hours. I'll ask him, but wouldn't this be a solution?

Tyson,

Just a couple of things to help wrap up for this year...

We have two cheerleaders that have not yet paid. [REDACTED] [REDACTED] and [REDACTED] [REDACTED]. Those two, of course, will have to pay before the uniforms can be purchased. I cannot accept money after today.

What is your timeline to order the uniforms? The uniforms cannot be shipped to a home address. Please use the school's address. I will be back to work in August when you're ready to check out the credit card. And remember, don't use your own personal credit card as we cannot refund your personal funds.

Hi Coach Tyson,

My name is [REDACTED] [REDACTED]. My daughter [REDACTED] [REDACTED] is on your cheer team and she has asked me to contact you to verify that she will be in Henderson, Nevada visiting me for the summer. She leaves Seattle June 24 and returns Aug 12. Summer visits are the only time [REDACTED] and I get to spend time together other than a week during the holidays.

Since [REDACTED] will be missing cheer practice during that time, I would be happy to sign her up for any classes you recommend that she take while she is here. [REDACTED] is very excited about being a part of the squad and is motivated to do what she needs to do to remain on the team.

Thank you for your consideration,

[REDACTED] was sent out of Mr. Rengsford's class for refusal to following directions and inappropriate attitude and tone. (this is his 8th referral)

He was told to put his water bottle away because it was not clear water. He said it was tea. After both Mr. Rengsford and Ms. LaGrow told him it was against school rules, I also told him it was against school rules, only clear water. Then he went to his backpack and got his water bottle and started drinking his tea!!!!!!!!!!!!!!!!!!!!!!!!!!!!

He is all hyped up, talking very loudly and in a disrespectful tone. He called his dad, then his mom and went on about the tea and not being in his seat. After he hung up, I said he should go to the office today and give them his mom's new phone number. He loudly snapped, "why should I? " I said so we could get a hold of her in an emergency. Again he loudly said he didn't need to and yelled, "just give that thing so I can get out of here!"

He also said he told the class if anyone touches his water bottle they'd be in trouble. Mr. Rengsford asked him it that was a threat.

I reminded him that Mr. Kahler had just talked to him about how to talk to adults and he could have avoided this referral by just telling Ms. LaGrow OK and put the bottle away.

I also told him if wants to be a cheerleader and on a team, he needs to change his behavior. He listened, and is now calm. He finished his referral with the appropriate responses.

I am hoping you will talk to him again about his disrespectful attitude and tone to adults.
