

May 16, 2010

Dear Pam,

This past year has been an exciting one for our company. As of May 21, 2010 our company's name will change from American Accounts and Advisers to our new name, 3 RIVERS BILLING, INC.

Our company was started over 23 years ago and never did we imagine that our family business would be continued on by the next generation. Our children, Christine Roraff and Tim Sulik, and their spouses, Brad Roraff and Michelle Sulik, have all been a significant part of the company over the past few years.

This obviously creates significant longevity for our company. Knowing our children and the high standards they have learned in their respective business careers, we are positive that you and all of our other clients will be well taken care of.

David and I will continue to have contributing roles in 3 Rivers Billing, Inc. as Senior Consultants. This will allow for a seamless transition and transfer of knowledge and expertise.

It has been our pleasure to work for you and your department. For that David and I sincerely thank you.
