D-day –

Glad to hear we aren't the only ones – I attached the ones I had in the chamber for a rainy day project.

DD,

We utilize the utility companies standard application they provide. When you create one, send it on over. Hope all is well with you in your not so new role!

If you have any influence on that Woodstock groundhog, please don't let it see its shadow

Mr. Noonan,

Do you utilize a utility permit application? If so, could you send it to me? If not, could you create one and send it to me?
