COLUMBUS DIVISION OF POLICE  
INVESTIGATIVE SUBDIVISION  
CRIMINAL INVESTIGATION SUMMARY

On October 13, 2016, at approximately 2:39 p.m., Patrol Officers responded to Linden McKinley STEM Academy, located at 1320 Duxberry Avenue, on a report of a shooting. Upon arrival, officers made contact with a victim, MARQUES JOHNSON, JR., who was lying in the grass school yard, suffering from a gunshot wound to his chest. Responding Officers were notified that another victim, JA'QUAN CURRY, was inside Linden McKinley being treated by the school nurse, with a gunshot wound to the shoulder.

Both victims were transported to a local hospital, one (1) in serious and one (1) in stable condition.

Officers made contact with witnesses who stated four to five (4-5) young male black individuals in a silver 4 door vehicle were responsible for the shooting. The witnesses added that one (1) of the males on the passenger's side of the vehicle fired several gunshots at the group of kids in the school yard after yelling, "**Squad Up!**" Witnesses also stated the suspect vehicle travelled southbound on Dresden Avenue, after it turned off of E. Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Nationwide Children's Hospital to get the information of the two (2) victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that was shot during the incident and belonged to Mr. Johnson, Jr., and a spent projectile. Both items were turned into the Columbus Police Property Room, under *Property #16022792*.

At approximately 3:45 p.m., Detective Jude conducted an interview with Mr. Curry at Children's Hospital. Mr. Curry stated that he saw a gray car and people [REDACTED]. Next, Mr. Curry stated the front seat passenger in the gray car fired at least one (1) gunshot, and possibly four (4) gunshots in his direction from a black handgun inside the car. He explained that he recognized a male he knew only as "DAE DAE" in the car at the time of the shooting. Ja'quan Curry was asked if he saw the gun and if he could describe how it looked. He stated it was a handgun, like a Glock, and it was black. Mr. Curry described the individual he saw shooting as a light skinned male black individual, approximately 15 years old with a three (3) inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at the scene and noticed several articles of clothing lying under a tree on the southeast corner of Linden McKinley High School's grass yard. Officer Kevin Kelley #2703 informed Detective Nolan that he was responsible for the guard log for this incident. First shift Zone 4 Lieutenant Dennis Jeffrey #5041 began pointing out the area of the school grounds that were possible scenes.

CRIMINAL INVESTIGATION SUMMARY

Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to the school nurse's office where the second victim was treated for his gunshot wound by **TIFFANY COLES**, the school nurse. In the office was a balled up bloody shirt and a backpack that belonged to one (1) of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan.

At approximately 4:40 p.m., second shift Crime Scene Search Unit (C.S.S.U.) Detective Bradley Morrow #1954 arrived at scene. Detective Morrow took a series of sixty-three (63) digital photographs and collected eleven (11) items of evidence which were later submitted to the Columbus Police Property Room to be held as evidence, under *Property #16022801*.

At approximately 9:28 p.m., Detective Nolan conducted a telephone interview with **DEANNA KING** and **LEAH KING**. Leah King stated she did not witness the shooting at the school, but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friend's house by a group of five (5) young male black individuals who arrived and left the scene of the Robbery in a silver four (4) door vehicle. She described all the males in great detail to Detective Nolan, even naming one of the males as "**Dae Dae.**"

Ms. Leah King verbally identified Dae Dae as **DAEQUAN BROWN**, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms. Leah King also stated **DEY-WON** was another name of a suspect who robbed her. Ms. Leah King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD Mugshots database.

On October 14, 2016, at approximately 5:00 p.m., Detective Nolan created Photo Array #11298 in Dataworks Plus, containing a photograph of Mr. Brown.

At approximately 6:35 p.m., Detective Federer conducted an interview with Mr. Johnson, Jr. at Nationwide Children's Hospital Room #5B29. Mr. Johnson stated he was with his girlfriend and several friends outside of Linden McKinley STEM Academy when the shooting occurred. Mr. Johnson explained he saw a silver 4 door vehicle occupied by several male black individuals. He knew the front seat passenger as Dae Dae and the right side rear passenger behind him as Dey-won. Mr. Johnson stated both individuals fired multiple gunshots at him and Mr. Curry from the vehicle, striking both of them.

COLUMBUS DIVISION OF POLICE  
INVESTIGATIVE SUBDIVISION  
CRIMINAL INVESTIGATION SUMMARY

At approximately 7:05 p.m., second shift Assault Detective Steve Miller #2238, acting as a Blind Administrator, presented Photo Array #11298 to Mr. Johnson at Children's Hospital. Mr. Johnson positively identified Mr. Daequan Brown as one (1) of the individuals who fired gunshots in his direction from the silver vehicle the day before.

At approximately 8:40 p.m., Detective Nolan made contact with **VALERIE BROWN**, the mother of Mr. Brown and asked if she could make her son available for an interview and give his accounts of the incident. Ms. Brown stated she did not know where her son was and had no way to contact him.

Detective Nolan called Ms. Brown back at approximately 9:45 p.m., and she was still unable to locate her son for an interview. Ms. Brown stated that he does not sleep at her house every night and she didn't know when she would see him again. As a result Detective Nolan filed two (2) counts of Felonious Assault on Mr. Daequan Brown.

On October 16, 2016, at approximately 4:28 p.m., Daequan Brown was placed under arrest as he was an occupant in a stolen vehicle. Inside the stolen vehicle was a black KEL TEC P 3AT .380 firearm with an extended magazine, *Serial #LA112*. Mr. Brown also had multiple felony warrants for his arrest to include Aggravated Robbery, Robbery, and Kidnapping. Mr. Brown was transported to CDR to be slated.

On October 19, 2016, at approximately 4:10 p.m., Detective Adam Federer #1432 created Photo Array #11305 that had the photograph of Dey-won Vinson, the alleged second shooter in the case per Marques Johnson.

At approximately 5:50 p.m., Detective Matt Liford #2182 presented Columbus Police Data Works Photo Array #11305 to Marques Johnson, Jr. Mr. Johnson circled, signed and dated photograph #1, Dey-won Vinson. Mr. Johnson explained to Detective Liford that Mr. Vinson was in the back passenger's seat shooting.

At approximately 7:59 p.m., Detective Nolan attempted to call **TARITA CARTER**, the mother of Dey-won Vinson to attempt an interview. There was no answer and Detective Nolan left a message for her to return the call.

At approximately 12:56 p.m., Detective Nolan called Tarita Carter again to set up an interview with her son, Dey-won Vinson. Ms. Vinson stated that she does not have a phone number for Dey-Won and that he was not home and does not come home every night. Ms. Carter also stated that the rumors about the shooting were just going around Facebook. Ms. Carter added that her son, Dey-won Vinson, was not at school today and she has no idea when she will see him. Ms. Carter ended the recorded phone conversation.

COLUMBUS DIVISION OF POLICE  
 INVESTIGATIVE SUBDIVISION  
 CRIMINAL INVESTIGATION SUMMARY

At approximately 4:13 p.m., with the positive I.D. of Dey-won Vinson from Marques Johnson, and several attempts to contact him, Detectives Nolan and Federer filed a warrant at the Franklin County Court of Domestic Relations on Dey-won Vinson for two (2) counts of Felonious Assault.

On October 21, 2016, at approximately 6:30 a.m., Dey-won Vinson was arrested at 342 Westport Drive on his warrants. Mr. Vinson was transported to the Franklin County Court of Domestic Relations for slating.

Based on the above facts, it is therefore respectfully requested that the Franklin County Court of Domestic Relations continue prosecution of **DEY-WON VINSON** on two (2) counts of Felonious Assault, §2903.11 (A-2) of the Ohio Revised Code, a felony of the 2nd degree, and any other applicable charges, for the assault of **MARQUES JOHNSON, JR.** and **JA'QUAN CURRY**.

Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Nationwide Children's Hospital to get the information of the two (2) victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that was shot during the incident and belonged to Mr. Johnson, Jr., and a spent projectile. Both items were turned into the Columbus Police Property Room, under *Property #16022792*.

At approximately 3:45 p.m., Detective Jude conducted an interview with Mr. Curry at Children's Hospital. Mr. Curry stated that he saw a gray car and people [REDACTED]. Next, Mr. Curry stated the front seat passenger in the gray car fired at least one (1) gunshot, and possibly four (4) gunshots in his direction from a black handgun inside the car. He explained that he recognized a male he knew only as "**DAE DAE**" in the car at the time of the shooting. Ja'quan Curry was asked if he saw the gun and if he could describe how it looked. He stated it was a handgun, like a Glock, and it was black. Mr. Curry described the individual he saw shooting as a light skinned male black individual, approximately 15 years old with a three (3) inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at the scene and noticed several articles of clothing lying under a tree on the southeast corner of Linden McKinley High School's grass yard. Officer Kevin Kelley #2703 informed Detective Nolan that he was responsible for the guard log for this incident. First shift Zone 4 Lieutenant Dennis Jeffrey #5041 began pointing out the area of the school grounds that were possible scenes.

INVESTIGATIVE SUBDIVISION  
CRIMINAL INVESTIGATION SUMMARY

Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to the school nurse's office where the second victim was treated for his gunshot wound by **TIFFANY COLES**, the school nurse. In the office was a balled up bloody shirt and a backpack that belonged to one (1) of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan.

At approximately 4:40 p.m., second shift Crime Scene Search Unit (C.S.S.U.) Detective Bradley Morrow #1954 arrived at scene. Detective Morrow took a series of sixty-three (63) digital photographs and collected eleven (11) items of evidence which were later submitted to the Columbus Police Property Room to be held as evidence, under *Property #16022801*.

At approximately 9:28 p.m., Detective Nolan conducted a telephone interview with **DEANNA KING** and **LEAH KING**. Leah King stated she did not witness the shooting at the school, but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friend's house by a group of five (5) young male black individuals who arrived and left the scene of the Robbery in a silver four (4) door vehicle. She described all the males in great detail to Detective Nolan, even naming one of the males as "**Dae Dae.**"

Ms. Leah King verbally identified Dae Dae as **DAEQUAN BROWN**, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms. Leah King also stated **DEYWON** was another name of a suspect who robbed her. Ms. Leah King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD Mugshots database.

On October 14, 2016, at approximately 5:00 p.m., Detective Nolan created Photo Array #11298 in Dataworks Plus, containing a photograph of Mr. Brown.

At approximately 6:35 p.m., Detective Federer conducted an interview with Mr. Johnson, Jr. at Nationwide Children's Hospital Room #5B29. Mr. Johnson stated he was with his girlfriend and several friends outside of Linden McKinley STEM Academy when the shooting occurred. Mr. Johnson explained he saw a silver 4 door vehicle occupied by several male black individuals. He knew the front seat passenger as Dae Dae and the right side rear passenger behind him as Deywon. Mr. Johnson stated both individuals fired multiple gunshots at him and Mr. Curry from the vehicle, striking both of them.

COLUMBUS DIVISION OF POLICE  
 INVESTIGATIVE SUBDIVISION  
 CRIMINAL INVESTIGATION SUMMARY

At approximately 7:05 p.m., second shift Assault Detective Steve Miller #2238, acting as a Blind Administrator, presented Photo Array #11298 to Mr. Johnson at Children's Hospital. Mr. Johnson positively identified Mr. Daequan Brown as one (1) of the individuals who fired gunshots in his direction from the silver vehicle the day before.

At approximately 8:40 p.m., Detective Nolan made contact with VALERIE BROWN, the mother of Mr. Brown and asked if she could make her son available for an interview and give his accounts of the incident. Ms. Brown stated she did not know where her son was and had no way to contact him.

Detective Nolan called Ms. Brown back at approximately 9:45 p.m., and she was still unable to locate her son for an interview. Ms. Brown stated that he does not sleep at her house every night and she didn't know when she would see him again. As a result Detective Nolan filed two (2) counts of Felonious Assault on Mr. Daequan Brown.

On October 16, 2016, at approximately 4:28 p.m., Daequan Brown was placed under arrest as he was an occupant in a stolen vehicle. Inside the stolen vehicle was a black KEL TEC P 3AT .380 firearm with an extended magazine, *Serial #LA112*. Mr. Brown also had multiple felony warrants for his arrest to include Aggravated Robbery, Robbery, and Kidnapping. Mr. Brown was transported to CDR to be slated.

Based on the above facts, it is therefore respectfully requested that the Franklin County Court of Domestic Relations continue prosecution of DAEQUAN BROWN on two (2) counts of Felonious Assault, §2903.11 (A-2) of the Ohio Revised Code, a felony of the 2nd degree, and any other applicable charges, for the assault of MARQUES JOHNSON, JR. and JA'QUAN CURRY.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Nationwide Children's Hospital to get the information of the two (2) victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that belonged to Marques Johnson, Jr. and was shot in the incident and a spent projectile. Both items were turned into the Columbus Police Property Room, under *Property #16022792*

At approximately 3:45 p.m., Detective Jude conducted an interview at Children's Hospital with Ja'quan Curry. For complete details of the interview with Ja'quan Curry, please refer to *Informational Summary #3*.

At approximately 3:50 p.m., second shift Assault Detective Adam Federer #1432 and I arrived at the scene and noticed several articles of clothing lying under a tree on the southeast corner of Linden McKinley High School's grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. First shift Zone 4 Lieutenant Dennis Jeffrey #5041 began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School.

At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to an office in the school where the second victim was being treated for his gunshot wound by the school nurse, TIFFANY COLES. In the office was a balled up bloody shirt and a backpack that belonged to one (1) of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan. Detectives Nolan and Federer reviewed the school video footage that was of poor quality and you could only see a faint silver vehicle drive southbound on Dresden Avenue and kids running away.

At approximately 4:40 p.m., second shift Crime Scene Search Unit (C.S.S.U.) Detective Bradley Morrow #1954 arrived at scene. He took a series of sixty-three (63) digital photographs and collected eleven (11) items of evidence, which were later submitted to the Columbus Police Property Room to be held as evidence, under *Property #16022801*.

At approximately 4:40 p.m., I conducted an interview with JERRIS HAYES in an unmarked police vehicle in front of 1320 Duxberry Avenue. At approximately 8:40 p.m., I contacted VALERIE BROWN, the mother of Daequan Brown, via phone. Ms. Brown did not know the whereabouts of Daequan and stated that he does not come home every night. She also stated Dequan does not have a phone, so she could not call him.

At approximately 9:52 p.m., I called Ms. Brown back and she was still unable to locate her son. Ms. Brown stated that she would continue to attempt to contact him, so he could be interviewed.

At approximately 11:12 p.m., I received a phone call from an individual claiming to be Daequan Brown. Mr. Brown stated he was unable to come to Columbus Police Headquarters to be interviewed. He briefly denied being involved in the shooting before his aunt MIKAL BROWN requested an attorney, which he then reiterated. For complete details of the interview with Daequan Brown, please refer to *Informational Summary #13*.

On October 15, 2016, at 2:09 a.m., Detective Federer and I filed an afterhours warrant at the Franklin County Court of Domestic Relations on Daequan Brown for two (2) counts of Felonious Assault. Judge Kim Brown authorized the arrest warrant making it active.

At approximately 2:30 a.m., I reviewed an email sent from C.I.A. Gill that had photos of a possible second suspect, as detailed by the victim, Mr. Johnson. This suspect was named by Mr. Johnson as Dey-won. I recalled from an earlier phone conversation with Leah and Deanna King that a suspect in Leah's robbery (see *OR #160913665*) was Dey-won. Also listed on that report was Daequan Brown, the male we filed on out of this shooting. I called Deanna and Leah King back to get more information on the male listed as a suspect named Dey-won. Leah King gave me Dey-won's Facebook profile name as **DEYWON RIP BALLY**. I sent this information to C.I.A. Gill.

It was reported that the 12 year old victim, Ja'quan Curry, yelled, "**Fuck Bally!**" just before someone in the suspect vehicle yelled, "**Squad Up,**" and began shooting. With all of this information, I was able to determine DEYWON VINSON, DOB: 01/31/2000, was the owner of that Facebook profile. [REDACTED]

[REDACTED] Mr. Vinson had 5096 Jameson Drive listed as his address on several reports. Detectives were awaiting a photograph that could be used in a photo array to show Mr. Johnson.

At approximately 3:58 p.m., Detective Federer contacted S.W.A.T. and relayed all of Daequan Brown's information.

At approximately 4:55 p.m., I placed an I.D. alert on Dey-won Vinson through Columbus Police Identification Technician Hannah Winkle.

At approximately 7:07 p.m., I received a phone call from DAVID CARNES, who stated he was Daequan Brown's father. Detective Nolan plead with Mr. Carnes to have his son turn himself in to the police. Mr. Carnes was uncooperative citing that he was currently out of state.

At approximately 3:50 p.m., second shift Assault Detective Adam Federer #1432 and I arrived at the scene and noticed several articles of clothing lying under a tree on the southeast corner of Linden McKinley High School's grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. First shift Zone 4 Lieutenant Dennis Jeffrey #5041 began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School.

At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to an office in the school where the second victim was being treated for his gunshot wound by the school nurse, TIFFANY COLES. In the office was a balled up bloody shirt and a backpack that belonged to one (1) of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan. Detectives Nolan and Federer reviewed the school video footage that was of poor quality and you could only see a faint silver vehicle drive south bound on Dresden Ave. and kids running away.

At approximately 4:40 p.m., second shift Crime Scene Search Unit (C.S.S.U.) Detective Bradley Morrow #1954 arrived at scene. He took a series of sixty-three (63) digital photographs and collected eleven (11) items of evidence, which were later submitted to the Columbus Police Property Room to be held as evidence, under *Property #16022801*.

At approximately 4:40 p.m., I conducted an interview with JERRIS HAYES in an unmarked police vehicle in front of 1320 Duxberry Avenue. Mr. Hayes stated there were at least four (4) males in a silver 4 door vehicle that shot at him and others, striking his friend Mr. Johnson, Jr. after yelling, "Squad up!" For complete details of the interview with Mr. Hayes, please refer to *Informational Summary #4*.

At approximately 5:17 p.m., Detective Federer conducted an interview with JULIUS WILSON-SMALL inside of Columbus Police Cruiser #9030. For complete details of the interview with Julius Wilson-Small, please refer to *Informational Summary #5*.

At approximately 5:33 p.m., Detective Jude interviewed JEREME CURRY at Children's Hospital. Mr. Curry stated a grey 4 door car pulled up and the male in the front passenger seat fired shots at him. On October 15, 2016, at 2:09 a.m., Detective Federer and I filed an afterhours warrant at the Franklin County Court of Domestic Relations on Daequan Brown for two (2) counts of Felonious Assault. Judge Kim Brown authorized the arrest warrant making it active.

At approximately 2:30 a.m., I reviewed an email sent from C.I.A. Gill that had photos of a possible second suspect, as detailed by the victim, Mr. Johnson. This suspect was named by Mr. Johnson as Dey-won. I recalled from an earlier phone conversation with Leah and Deanna King that a suspect in Leah's robbery (see OR #160913665) was Dey-won. Also listed on that report was Daequan Brown, the male we filed on out of this shooting. I called Deanna and Leah King back to get more information on the male listed as a suspect named Dey-won. Leah King gave me Dey-won's Facebook profile name as **DEYWON RIP BALLY**. I sent this information to C.I.A. Gill.

It was reported that the 12 year old victim, Ja'quan Curry, yelled, "**Fuck Bally!**" just before someone in the suspect vehicle yelled, "**Squad Up,**" and began shooting. With all of this information, I was able to determine **DEYWON VINSON**, DOB: 01/31/2000, was the owner of that Facebook profile. [REDACTED]

[REDACTED] Mr. Vinson had 5096 Jameson Drive listed as his address on several reports. Detectives were awaiting a photograph that could be used in a photo array to show Mr. Johnson.

At approximately 3:58 p.m., Detective Federer contacted S.W.A.T. and relayed all of Daequan Brown's information.

At approximately 4:55 p.m., I placed an I.D. alert on Dey-won Vinson through Columbus Police Identification Technician Hannah Winkle.

At approximately 7:07 p.m., I received a phone call from **DAVID CARNES**, who stated he was Daequan Brown's father. Detective Nolan plead with Mr. Carnes to have his son turn himself in to the police. Mr. Carnes was uncooperative citing that he was currently out of state.

On October 16, 2016, at approximately 4:28 p.m., Daequan Brown was arrested at 2720 Brandy Dr. out of an unrelated incident in which he was the front seat passenger in a stolen vehicle. On October 13, 2016, at approximately 2:35 p.m., I, High School Resource Officer Amando Dungey #1985, was dealing with a trespasser in the security office when I heard a crowd of people running into the school, yelling. I then stuck my head out the door and heard screaming, **"They are shooting outside!"**

I left my prisoner inside of the security office with Safety and Security Officer Cox, and ran outside. Several students ran by me screaming, **"They are shooting!"** and pointed towards the corner of Linden-McKinley Stem Academy, located on Duxberry Avenue, and Dresden Avenue. I aired that we had a gunshot victim at the Linden School. Safety and Security Officer Black and I ran towards said location, and found a male black teenager lying on his back with a gunshot wound to his upper right torso. I began medical aid to the teenager by applying direct pressure to his wound to slow down the blood that was gushing out. Safety and Security Officer Black and a school teacher/nurse helped in the medical aid.

After the medics responded and left to transport the shooting victim, I started walking back towards the school. An unknown teacher ran up to me stating that a student was shot. I stated, **"Yes, he is being transported now to the hospital."** The teacher responded saying, **"No, there is another student that has been shot and he is in the school with the nurse."** I then ran into the school and found another male black teenager in the safety and security office. I immediately aired for another medic. Responding officers and the scene supervisor took over the scene.

On October 14, 2016, at approximately 11:12 p.m., I, second shift Assault Detective Rodger Nolan #10, conducted a telephone interview with DAEQUAN BROWN. Ms. Brown was identified as a suspect in this incident by MARQUES JOHNSON, JR. The following is a summation of the interview:

I spoke with VALERIE BROWN, the mother of Daequan Brown, twice, once at 8:30 p.m. and again at 8:40 p.m. Ms. Brown stated she was unable to contact Mr. Brown and that she does not see him every night.

At approximately 11:12 p.m., I received a recorded telephone call from an individual identifying himself as Daequan Brown. I asked Mr. Brown his vital information and he repeated the above information. I then asked him if he was able to come down to Police Headquarters and he replied, "No, I'm not with my mom." Mr. Brown stated he was with his aunt, MIKAL BROWN, at the current time.

I asked Mr. Brown if he would like to tell what happened yesterday. Mr. Brown repeated the word, "Yesterday," and paused before he raised his voice and stated, "I don't know what happened yesterday. Everybody keeps tryin' to say I shot somebody. I don't know what everybody is talking about. I don't know how my name got brought up in anything."

Mr. Brown added he has no idea how his name was brought up because he was not on the north side. I asked him what it is that people are saying that he did, and he replied, "They are sayin' I shot somebody." Mr. Brown next said he knows he didn't shoot anybody. I then asked him where he was during the shooting. He replied that he was "down south," referring to the south end.

Mr. Brown's aunt (his mother's sister) took the phone from him and made that statement that she would prefer that he not speak anymore until an attorney is present. Mr. Brown was overheard in the background saying that he wanted an attorney.

I did not ask Mr. Brown any further questions, and terminated all questioning.

This was the extent of information provided by Daequan Brown and the interview with him was concluded. This interview was audio recorded and a copy of that recording will become a permanent part of this investigative packet.

## INFORMATIONAL SUMMARY #15:

**SUBJECT:      SHOWING OF PHOTO ARRAY #11305**

On October 19, 2016, second shift Assault Detective Rodger Nolan #10 requested that I, second shift Assault Detective Matthew Liford #2182, act as a blind administrator in the showing of Photo Array #11305 to **MARQUES JOHNSON, JR.**

I met with Mr. Johnson in his home at 928 E. 12<sup>th</sup> Avenue. I read the *Photo Array Blind Administrator's form* to Mr. Johnson, at approximately 5:47 p.m. After reading the instructions, Mr. Johnson stated he understood the instructions and had no questions. I showed Mr. Johnson Photo Array #11305. Mr. Johnson viewed all photos and immediately picked Photo #1. I asked Mr. Johnson how he recognized the male in the photo he selected. Mr. Johnson stated, **"He was the backseat passenger side."** I asked Mr. Johnson what else he saw the male he selected in the photo doing. Mr. Johnson stated, **"He shot."** I asked Mr. Johnson if he definitely saw the male selected in the photo with a gun and he replied, **"Yes, sir."** Mr. Johnson circled and signed Photo #1 of Photo Array #11305, and signed the *Photo Array Procedure form*.

I filled out the *Viewer's Statement* of the *Photo Array Procedure form* and had Mr. Johnson initial it, due to him having a difficult time writing because of his injuries.

This was the extent of the information gathered during the presentation of this photo array.

The investigation continues.

On October 13, 2016 at approximately 2:39 p.m., patrol officers responded to Linden McKinley STEM Academy at 1320 Duxberry Avenue on a report of a shooting. Upon arrival, officers made contact with a victim Marques Johnson Jr., who was lying in the grass school yard suffering from a gunshot wound to his chest. Responding Officers were notified that another victim, Ja'quan Curry, was inside Linden McKinley being treated by the school nurse with a gunshot wound to the shoulder. Both victims were transported to a local hospital, one in serious and one in stable condition. Officers made contact with witnesses who stated four (4) to five (5) young male black individuals in a silver four (4) door vehicle were responsible for the shooting. The witnesses added that one of the males on the passengers side of the vehicle fired several gunshots at the group of kids in the school yard after yelling "Squad Up". Witnesses also stated the suspect vehicle travelled south bound on Dresden Avenue after it turned off of E. Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Children's Hospital to get the information of the two victims and to conduct interviews. Detective Jude collected 1 LG cell phone that was shot in the incident that belonged to Marques Johnson Jr. and a spent projectile. Both items were turned into the Columbus Police Property Room Property No.: 16022792.

At approximately 3:45 p.m., second shift assault Detective James Jude #2155 conducted an interview at Children's Hospital with Ja'quan Curry who was identified as victim. Ja'quan Curry stated that he saw a gray car ██████████. Next Ja'quan Curry stated the front seat passenger in the gray car fired at least one (1) gunshot and possibly four (4) gunshots from a black handgun while inside the car in his direction. He explained that he recognized a male he knew only as "Dae Dae" in the car at the time of the shooting. Ja'quan Curry if he saw the gun and if he could describe how it looked. Ja'quan described the individual he saw shooting as s a light skinned male black about 15 years old with a 3 inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at scene and noticed several articles of clothing lying under a tree on the south east corner of Linden McKinley High Schools grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. Lt. Jeffrey (L-4-A) began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to a office in the school where the second victim was treated for his gunshot wound by the school nurse Tiffany Coles. In the office was a balled up bloody ,and a backpack that belonged to one of the victims. There was also the back of a broken

cell phone laying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan. At approximately 4:40 p.m., second shift Crime Scene Search Unit Detective Morrow #1954 arrived at scene. Detective Morrow took a series of sixty-three (63) digital photographs, collected eleven (11) items of evidence which were later submitted to the Columbus Police Property Room to be held as evidence. Property No.: 16022801.

At approximately 9:28 p.m., Detective Nolan conducted a telephone interview with Deanna King and Leah King. Leah King stated she did not witness the shooting at the school but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friends house by a group of Five (5) young male black individuals who arrived and left the scene of the robbery in a silver four (4) door vehicle. She described all the males in in great detail to Detective Nolan even naming one of the males as "Dae Dae". Ms. King verbally identified Dae Dae as Daequan Brown, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms King also stated Dey-won was another name of a suspect who robbed her. Ms King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD mugshots database.

On October 15, 2016 at approximately 2:30 a.m., Detective Nolan reviewed an email sent from Crime Analyst Amber Gill that had photos of a possible second suspect as detailed by the victim, Mr. Johnson. This suspect was named by Mr. Johnson as "Dey-won". Detective Nolan recalled from an earlier phone conversation with Leah and Deanna King that a suspect in Leah's robbery (160913665) was Dey-won. Also listed on that report was Daequan Brown, the male we filed on out of this shooting. Detective Nolan called Deanna and Leah King back to get more information on the male listed as a suspect named Dey-won. Leah King gave Detective Nolan Dey-won's Facebook profile name as DEYWON RIP BALLY. Detective Nolan sent this information to Crime Analyst Amber Gill.

It was reported that the twelve(12) year old victim, Ja'quan Curry, yelled "Fuck Bally!" just before someone in the suspect vehicle yelled "Squad Up", and began shooting. With all of this information Detectives Nolan was able to determine Dey-won Vinson (D.O.B. 01/31/2000) is the owner of that Facebook profile. [REDACTED]

[REDACTED] Mr. Vinson does have 5096 Jameson Dr. listed as his address on several reports. Detectives are awaiting a photograph that can be used in a photo array to show Mr. Johnson.

On October 18, 2016 at approximately 12:22 p.m., C.I.A. Gill emailed a school summary report she received from the Columbus City Schools Security containing a photograph and personal information on Dey-won Vinson.

On October 19, 2016 at approximately 4:10 p.m., Detective Adam Federer #1432 created a photo array #11305 that had the photograph of Dey-won Vinson, the alleged second shooter in the case per Marques Johnson.

At approximately 5:50 p.m., Detective Matt Liford #2182 presented Columbus Police Data Works photo array #11305 to Marques Johnson Jr. Mr. Johnson circled, signed and dated photograph #1, Dey-won Vinson. Mr Johnson explained to Detective Liford that Mr. Vinson was the back seat passenger shooting.

At approximately 7:59 p.m., Detective Nolan attempted to call Tarita Carter, the mother of Dey-won Vinson to attempt to interview. There was no answer and Detective Nolan left a message for her to return the call.

On October 20, 2016 at approximately 12:56 p.m., Detective Nolan called Tarita Carter again to set up an interview with her son, Dey-won Vinson. Ms. Carter stated that she does not have a phone number for Dey-Won and that he was not home and does not come home every night. Ms. Carter also stated that the rumors about the shooting were just going around Facebook. Ms. Carter added that her son, Dey-won Vinson was not at school today and she has no idea when she will see him. Ms. Carter ended the recorded phone conversation.

At approximately 3:20 p.m., Detectives Nolan #10 and Federer #1432 filed two counts of Felonious Assault on Dey-won Vinson.

<p>On Sunday, October 16th, 2016, at approximately 4:28 PM, Officer A. Mottinger #2886 and Officer R. Kemp #2427 working CPD Wagon #208 were on routine patrol in the Amberly Square Apartments. Officers noticed a white, 2007 Chevrolet Equinox (OH Tag #GTB2461) (with the engine running) with three young males stopped in front of 2720 Brandy Drive (part of Amberly Square). Officers had prior knowledge that the area is a high-crime and high-drug offense area with a lot of recent stolen vehicle activity.</p> <p>Officers pulled over just past the running Chevrolet as to not block its egress. Officer Kemp made contact with the driver and front right passenger in an attempt to conduct a consensual encounter by asking them what they were doing in the area. Officer Mottinger had CPD Dispatch run the aforementioned tag. Officers were then notified by CPD Dispatch that the tag registers to a stolen vehicle out of Columbus Police Report #160915832.</p> <p>Officer Mottinger then noticed a small black loaded firearm with an extended magazine in the center console area of the vehicle. The firearm was facing down with the handle up and angled towards the front right passenger, later identified to be Mr. Daequan Brown. Officer Mottinger removed the driver of the vehicle, Mr. Kendale Cortez Martis, and detained him in CPD Wagon #208. Officer Mottinger was advised by Mr. Martis that he was a juvenile and did not possess a valid driver's license. Officer Kemp held the other two passengers at gunpoint until additional CPD cars arrived on scene.</p> <p>Officer K. Alt #2629 in CPD Car #201 arrived on scene and removed the rear right passenger, Mr. Aharron Laqueechez Rajohn Donaldson, and placed him into the rear of Car #201. Officer Kemp removed the front right seat passenger, Mr. Daequan Brown, and handed him off to Officer L. Kretzmann #2795 working CPD Car #202.</p> <p>Officer Mottinger requested Mr. Brown's personal identifiers to which he responded stating that his name was Marquan Brown with a birthday of 7/5/2000. Officer Mottinger had a prior run in with Mr. Brown and knew that he had previously lied about his identity to Officer Mottinger, however, Officer Mottinger did not know his exact identity at that time. Mr. Brown admitted his correct information to Officer Kretzmann once they were en route to CPD HQ ID by stating his correct name to be Mr. Daequan Brown with a birthday of 7/5/2000.</p> <p>Officers impounded the vehicle via ProTow to the City Impound Lot. Officers recovered the firearm from the vehicle after taking photos of it in its original location. The firearm was a Kel Tec P3AT .380 Serial #LA112 black in color, firearm was ran through Records Tech #8 and was blank in all systems.</p>					

Officer Kemp read Mr. Brown, Mr. Donaldson, and Mr. Mardis their constitutional rights in the rear of CPD cruisers #202, 201 and 208, in which all three stated that they would speak. Office Kemp questioned Mr. Mardis on how he became in possession of the stolen vehicle, and he stated that a guy named Quan drove over to Amberly Sq. and exited and never came back so he jumped into the drivers seat from being in the rear. Mr. Mardis stated that he did not know that there was a gun inside the vehicle when officer questioned him on the gun.

Officer Kemp asked Mr. Brown how he ended up in the vehicle, and he stated that he just go in the vehicle right before yall "police" pulled up and saw us. Mr. Brown stated that he did not know the vehicle was not stolen, but did state that he knew his friend Mr. Mardis did not have a license and that he did not have a vehicle.

Officer Kemp spoke with Mr. Donaldson, who stated that he did not know the vehicle was stolen and was called by Mr. Brown and Mr. Mardis via live facebook, and they stated to Mr. Donaldson that they were looking to smoke and that they were coming over to get him. Mr. Donaldson stated that Mr. Mardis pulled up in the vehicle with Mr. Brown and that is when he got into the back seat. Mr. Donaldson stated that is when you the police pulled up, and Mr. Mardis put the vehicle in gear to leave, and stated to everyone in the vehicle, "I'm leaving and they are going to have to chase me." Mr. Donaldson stated "No, don't do anything." Officer Kemp asked Mr. Donaldson about the firearm, and he stated that the gun was not his, and he knows who it is, but wouldn't say. Mr. Donaldson then asked to see his phone, in which he opened up his phone and showed Officer Kemp a photo of Mr. Brown holding what looked to be the same exact firearm with the extended magazine on a face book page. Officer Kemp then photographed the phone with the picture.

Officers transported all three arrestees to CPD HQ ID Bureau and subsequently the 6th Floor for interview/paperwork. Officers were advised via records that Mr. Brown had multiple good felony warrants and that CDR would slate him for the warrants in addition to fresh charges. Mr. Donaldson was released after interview at CPD HQ. Mr. Mardis was slated at CDR.

Mr. Mardis was charged with Receiving Stolen Property and Operating a Motor Vehicle without a valid operator's license.

Officers respectfully request that Mr. Brown, Mr. Donaldson, and Mr. Mardis be direct indicted for Improper Handling of a Firearm in a Motor Vehicle and for Weapons Under Disability due to all having prior felonies.

# AFFIDAVIT IN SUPPORT OF WARRANT TO SEARCH

The facts upon which such belief is based are as follows:

On October 13, 2016 at approximately 2:39 p.m., patrol officers responded to Linden McKinley STEM Academy at 1320 Duxberry Avenue on a report of a shooting. Upon arrival, officers made contact with a victim MARQUES JOHNSON JR., who was lying in the grass school yard suffering from a gunshot wound to his chest. Responding Officers were notified that another victim, JA'QUAN CURRY, was inside Linden McKinley being treated by the school nurse with a gunshot wound to the shoulder. Both victims were transported to a local hospital, one in serious and one in stable condition. Officers made contact with witnesses who stated four (4) to five (5) young male black individuals in a silver four (4) door vehicle were responsible for the shooting. The witnesses added that one of the males on the passenger's side of the vehicle fired several gunshots at the group of kids in the school yard after yelling "Squad Up". Witnesses also stated the suspect vehicle travelled south bound on Dresden Avenue after it turned off of E. Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Children's Hospital to get the information of the two victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that was shot in the incident that belonged to Marques Johnson Jr. and a spent projectile. Both items were turned into the Columbus Police Property Room *Property No.: 16022792.*

At approximately 3:45 p.m., Detective Jude conducted an interview with Ja'quan Curry at Children's Hospital. Ja'quan Curry stated that he saw a gray car [REDACTED]. Next Ja'quan Curry stated the front seat passenger in the gray car fired at least one (1) gunshot and possibly four (4) gunshots from a black handgun while inside the car in his direction. He explained that he recognized a male he knew only as "DAE DAE" in the car at the time of the shooting. Ja'quan Curry if he saw the gun and if he could describe how it looked. Ja'quan described the individual he saw shooting as a light skinned male black individual approximately 15 years old with a three (3) inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at scene and noticed several articles of clothing lying under a tree on the south east corner of Linden McKinley High Schools grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. Lt. Jeffrey (L-4-A) began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to an office in the school where the second victim was treated for his gunshot wound by the school nurse, TIFFANY COLES. In the office was a balled up bloody, and a backpack that belonged to one of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan.

At approximately 4:40 p.m., second shift Crime Scene Search Unit Detective Morrow #1954 arrived at scene. Detective Morrow took a series of sixty-three (63) digital photographs, collected eleven (11) items of evidence which were later submitted to the Columbus Police Property Room to be held as evidence. *Property No.: 16022801.*

FILED  
MINOR PLEAS COURT  
FRANKLIN CO. OHIO  
OCT 13 2016  
10:23 PM  
CLERK OF COURTS

At approximately 7:28 p.m., Detective Nolan conducted a telephone interview with DEANNA KING and LEAH KING. Leah King stated she did not witness the shooting at the school but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friend's house by a group of Five (5) young male black individuals who arrived and left the scene of the robbery in a silver four (4) door vehicle. She described all the males in great detail to Detective Nolan even naming one of the males as "Dae Dae". Ms. King verbally identified Dae Dae as DAEQUAN BROWN, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms. King also stated DEYWON was another name of a suspect who robbed her. Ms. King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD mugshots database.

On October 14, 2016 at approximately 5:00 p.m., Detective Nolan created a photo array #11298 in data works plus containing a photograph of Daequan Brown.

At approximately 6:35 p.m., Detective Federer conducted an interview with Marques Johnson at Nationwide Children's Hospital # 5B29. Mr. Johnson stated he was with his girlfriend and several friends outside Linden McKinley STEM Academy when the shooting occurred. Mr. Johnson explained he saw a silver four door vehicle occupied by several male black individuals. He stated he knew the front seat passenger as "Dae Dae" and the rear seat passenger behind him as "Deywon." Mr. Johnson stated both individuals fired multiple gunshots at him and Mr. Curry from the vehicle striking both of them.

At approximately 7:05 p.m., second shift Assault Detective Steve Miller #2238, acting as a blind administrator, presented photo array #11298 to Mr. Johnson at Children's Hospital. Mr. Johnson positively identified Daequan Brown as one of the individuals who fired gunshots from the silver vehicle in his direction the day before.

At approximately 8:40 p.m., Detective Nolan made contact with VALERIE BROWN, the mother of Daequan Brown and asked if she could make her son available for an interview and give his accounts of the incident. Ms. Brown stated she did not know where her son was and had no way to contact him. Detective Nolan called Ms. Brown back at approximately 9:45 p.m., and she was still unable to locate her son, for an interview. Ms. Brown stated that Daequan does not sleep at her house every night and she didn't know when she would see him again. As a result Detective Nolan filed two (2) counts of Felonious Assault on Daequan Brown.

On October 19, 2016, at approximately 4:10 p.m., Detective Adam Federer #1432 created Photo Array #11305 that had the photograph of DEY-WON VINSON, the alleged second shooter in the case per Marques Johnson.

At approximately 5:50 p.m., Detective Matt Liford #2182 presented Columbus Police Data Works Photo Array #11305 to Marques Johnson, Jr. Mr. Johnson circled, signed and dated photograph #1, Dey-won Vinson. Mr. Johnson explained to Detective Liford that Mr. Vinson was in the back passenger's seat shooting.

At approximately 7:59 p.m., Detective Nolan attempted to call TARITA CARTER, the mother of Dey-won Vinson to attempt an interview. There was no answer and Detective Nolan left a message for her to return the call.

At approximately 12:56 p.m., Detective Nolan called Tarita Carter again to set up an interview with her son, Dey-won Vinson. Ms. Vinson stated that she does not have a phone number for Dey-Won and that he was not home and does not come home every night. Ms. Carter also stated that the rumors about the shooting were just going around Facebook. Ms. Carter added that her

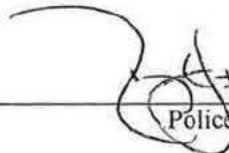

son, Dey-won Vinson, was not at school today and she has no idea when she will see him. Ms. Carter ended the recorded phone conversation.

During the course of the investigation Detective Nolan learned from Deanna King, Leah King, and **KOURTNEY BUTCHER** that the Facebook account for Daequan Brown is "**DaeDae Rip Twan**". It was also learned from Leah King and Deanna King that Dey-won Vinson is using "**Deywon Rip Bally**" as his Facebook account. Columbus Police Crime Analyst Amber Gill was able to locate two (2) other accounts that Deywon Vison uses on Facebook. The first "**Deywon Ripbally**" and the second "**Deywon Vinson**".

According to witnesses at scene Mr. Vinson and Mr. Brown may have posted to Facebook prior to the shooting about being in the area and "Airing it out" in reference to shooting. It was also said by witnesses at scene that they knew "**The Ops**" were coming because of posts on Facebook. The Ops is in reference to people not from the area.

The affiant requests Facebook Law Enforcement Response Team, 1601 Willow Road, Menlo Park, CA 94025 provide all the requested information to investigating detectives.

This search warrant is being requested to retrieve the information from Facebook to further the investigation of this Felonious Assault, Section 2903.11 (A-2). In lieu of returning evidence/property obtained with this warrant, the affiant requests authorization to retain such evidence/property in the Columbus Police Department Storage Room Facility or Forensic Crime Laboratory.

# AFFIDAVIT IN SUPPORT OF WARRANT TO SEARCH

---

The facts upon which such belief is based are as follows:

On October 13, 2016 at approximately 2:39 p.m., patrol officers responded to Linden McKinley STEM Academy at 1320 Duxberry Avenue on a report of a shooting. Upon arrival, officers made contact with a victim MARQUES JOHNSON JR., who was lying in the grass school yard suffering from a gunshot wound to his chest. Responding Officers were notified that another victim, JA'QUAN CURRY, was inside Linden McKinley being treated by the school nurse with a gunshot wound to the shoulder. Both victims were transported to a local hospital, one in serious and one in stable condition. Officers made contact with witnesses who stated four (4) to five (5) young male black individuals in a silver four (4) door vehicle were responsible for the shooting. The witnesses added that one of the males on the passenger's side of the vehicle fired several gunshots at the group of kids in the school yard after yelling "Squad Up". Witnesses also stated the suspect vehicle travelled south bound on Dresden Avenue after it turned off of E Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Children's Hospital to get the information of the two victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that was shot in the incident that belonged to Marques Johnson Jr. and a spent projectile. Both items were turned into the Columbus Police Property Room *Property No.: 16022792*.

At approximately 3:45 p.m., Detective Jude conducted an interview with Ja'quan Curry at Children's Hospital. Ja'quan Curry stated that he saw a gray car [REDACTED] Next Ja'quan Curry stated the front seat passenger in the gray car fired at least one (1) gunshot and possibly four (4) gunshots from a black handgun while inside the car in his direction. He explained that he recognized a male he knew only as "DAE DAE" in the car at the time of the shooting. Ja'quan Curry if he saw the gun and if he could describe how it looked. Ja'quan described the individual he saw shooting as s a light skinned male black individual approximately 15 years old with a three (3) inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at scene and noticed several articles of clothing lying under a tree on the south east corner of Linden McKinley High Schools grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. Lt. Jeffrey (L-4-A) began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to an office in the school where the second victim was treated for his gunshot wound by the school nurse, TIFFANY COLES. In the office was a balled up bloody, and a backpack that belonged to one of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan.

CLERK OF COURT  
COLUMBUS, OHIO  
OCT 13 2016  
PM 1:58

At approximately 9:28 p.m., Detective Nolan conducted a telephone interview with DEANNA KING and LEAH KING. Leah King stated she did not witness the shooting at the school but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friend's house by a group of Five (5) young male black individuals who arrived and left the scene of the robbery in a silver four (4) door vehicle. She described all the males in great detail to Detective Nolan even naming one of the males as "Dae Dae". Ms. King verbally identified Dae Dae as DAEQUAN BROWN, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms. King also stated DEYWON was another name of a suspect who robbed her. Ms. King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD mugshots database.

On October 14, 2016 at approximately 5:00 p.m., Detective Nolan created a photo array #11298 in data works plus containing a photograph of Daequan Brown.

At approximately 6:35 p.m., Detective Federer conducted an interview with Marques Johnson at Nationwide Children's Hospital # 5B29. Mr. Johnson stated he was with his girlfriend and several friends outside Linden McKinley STEM Academy when the shooting occurred. Mr. Johnson explained he saw a silver four door vehicle occupied by several male black individuals. He stated he knew the front seat passenger as "Dae Dae" and the rear seat passenger behind him as "Deywon." Mr. Johnson stated both individuals fired multiple gunshots at him and Mr. Curry from the vehicle striking both of them.

At approximately 7:05 p.m., second shift Assault Detective Steve Miller #2238, acting as a blind administrator, presented photo array #11298 to Mr. Johnson at Children's Hospital. Mr. Johnson positively identified Daequan Brown as one of the individuals who fired gunshots from the silver vehicle in his direction the day before.

At approximately 8:40 p.m., Detective Nolan made contact with VALERIE BROWN, the mother of Daequan Brown and asked if she could make her son available for an interview and give his accounts of the incident. Ms. Brown stated she did not know where her son was and had no way to contact him. Detective Nolan called Ms. Brown back at approximately 9:45 p.m., and she was still unable to locate her son, for an interview. Ms. Brown stated that Daequan does not sleep at her house every night and she didn't know when she would see him again. As a result Detective Nolan filed two (2) counts of Felonious Assault on Daequan Brown.

On October 19, 2016, at approximately 4:10 p.m., Detective Adam Federer #1432 created Photo Array #11305 that had the photograph of DEY-WON VINSON, the alleged second shooter in the case per Marques Johnson.

At approximately 5:50 p.m., Detective Matt Liford #2182 presented Columbus Police Data Works Photo Array #11305 to Marques Johnson, Jr. Mr. Johnson circled, signed and dated photograph #1, Dey-won Vinson. Mr. Johnson explained to Detective Liford that Mr. Vinson was in the back passenger's seat shooting.

At approximately 7:59 p.m., Detective Nolan attempted to call TARITA CARTER, the mother of Dey-won Vinson to attempt an interview. There was no answer and Detective Nolan left a message for her to return the call.

At approximately 12:56 p.m., Detective Nolan called Tarita Carter again to set up an interview with her son, Dey-won Vinson. Ms. Vinson stated that she does not have a phone number for Dey-Won and that he was not home and does not come home every night. Ms. Carter also stated that the rumors about the shooting were just going around Facebook. Ms. Carter added that her

son, Dey-won Vinson, was not at school today and she has no idea when she will see him. Ms. Carter ended the recorded phone conversation.

During the course of the investigation Detective Nolan learned from Deanna King, Leah King, and **KOURTNEY BUTCHER** that the Facebook account for Daequan Brown is "**DaeDae Rip Twan**". It was also learned from Leah King and Deanna King that Dey-won Vinson is using "**Deywon Rip Bally**" as his Facebook account. Columbus Police Crime Analyst Amber Gill was able to locate two (2) other accounts that Deywon Vison uses on Facebook. The first "**Deywon Ripbally**" and the second "Deywon Vinson".

According to witnesses at scene Mr. Vinson and Mr. Brown may have posted to Facebook prior to the shooting about being in the area and "Airing it out" in reference to shooting. It was also said by witnesses at scene that they knew "**The Ops**" were coming because of posts on Facebook. The Ops is in reference to people not from the area.

The affiant requests Facebook Law Enforcement Response Team, 1601 Willow Road, Menlo Park, CA 94025 provide all the requested information to investigating detectives.

This search warrant is being requested to retrieve the information from Facebook to further the investigation of this Felonious Assault, Section 2903.11(A-2). # AFFIDAVIT IN SUPPORT OF WARRANT TO SEARCH

**The facts upon which such belief is based are as follows:**

On October 13, 2016 at approximately 2:39 p.m., patrol officers responded to Linden McKinley STEM Academy at 1320 Duxberry Avenue on a report of a shooting. Upon arrival, officers made contact with a victim MARQUES JOHNSON JR., who was lying in the grass school yard suffering from a gunshot wound to his chest. Responding Officers were notified that another victim, JA'QUAN CURRY, was inside Linden McKinley being treated by the school nurse with a gunshot wound to the shoulder. Both victims were transported to a local hospital, one in serious and one in stable condition. Officers made contact with witnesses who stated four (4) to five (5) young male black individuals in a silver four (4) door vehicle were responsible for the shooting. The witnesses added that one of the males on the passenger's side of the vehicle fired several gunshots at the group of kids in the school yard after yelling "Squad Up". Witnesses also stated the suspect vehicle travelled south bound on Dresden Avenue after it turned off of E. Maynard Avenue.

At approximately 3:45 p.m., second shift Assault Detective James Jude #2155 responded to Children's Hospital to get the information of the two victims and to conduct interviews. Detective Jude collected one (1) LG cell phone that was shot in the incident that belonged to Marques Johnson Jr. and a spent projectile. Both items were turned into the Columbus Police Property Room *Property No.: 16022792*.

At approximately 3:45 p.m., Detective Jude conducted an interview with Ja'quan Curry at Children's Hospital. Ja'quan Curry stated that he saw a gray car [REDACTED] Next Ja'quan Curry stated the front seat passenger in the gray car fired at least one (1) gunshot and possibly four (4) gunshots from a black handgun while inside the car in his direction. He explained that he recognized a male he knew only as "DAE DAE" in the car at the time of the shooting. Ja'quan Curry if he saw the gun and if he could describe how it looked. Ja'quan described the individual he saw shooting as a light skinned male black individual approximately 15 years old with a three (3) inch medium afro.

At approximately 3:50 p.m., second shift Assault Detectives Rodger Nolan #10 and Adam Federer #1432 arrived at scene and noticed several articles of clothing lying under a tree on the south east corner of Linden McKinley High Schools grass yard. Officer Kelley informed Detective Nolan that he was responsible for the guard log for this incident. Lt. Jeffrey (L-4-A) began pointing out the area of the school grounds that were possible scenes. Detectives walked the scene and also observed a blood trail that led from the grass yard area all the way to the interior of Linden McKinley High School. At approximately 4:10 p.m., Detectives Nolan and Federer entered the school and followed the blood trail that led all the way to an office in the school where the second victim was treated for his gunshot wound by the school nurse, TIFFANY COLES. In the office was a balled up bloody, and a backpack that belonged to one of the victims. There was also the back of a broken cell phone lying just outside of the office. Detectives were told by security officers that video from the school security system would be made available for the investigation, which was later picked up by Detective Nolan.

At approximately 4:40 p.m., second shift Crime Scene Search Unit Detective Morrow #1954 arrived at scene. Detective Morrow took a series of sixty-three (63) digital photographs, collected eleven (11) items of evidence which were later submitted to the Columbus Police Property Room to be held as evidence. *Property No.: 16022801*.

At approximately 9:28 p.m., Detective Nolan conducted a telephone interview with **DEANNA KING** and **LEAH KING**. Leah King stated she did not witness the shooting at the school but believed she had information on the suspects. Leah King explained that she was robbed earlier this morning at gunpoint while she was at her friend's house by a group of Five (5) young male black individuals who arrived and left the scene of the robbery in a silver four (4) door vehicle. She described all the males in great detail to Detective Nolan even naming one of the males as "Dae Dae". Ms. King verbally identified Dae Dae as **DAEQUAN BROWN**, and she stated he had a gun that he pointed at her several times this morning while robbing her. Ms. King also stated DEYWON was another name of a suspect who robbed her. Ms. King later gave Detective Nolan a Facebook address for the Daequan Brown responsible for her robbery and Detective Nolan was able to locate Daequan Brown in the CPD mugshots database.

On October 14, 2016 at approximately 5:00 p.m., Detective Nolan created a photo array #11298 in data works plus containing a photograph of Daequan Brown.

At approximately 6:35 p.m., Detective Federer conducted an interview with Marques Johnson at Nationwide Children's Hospital # 5B29. Mr. Johnson stated he was with his girlfriend and several friends outside Linden McKinley STEM Academy when the shooting occurred. Mr. Johnson explained he saw a silver four door vehicle occupied by several male black individuals. He stated he knew the front seat passenger as "Dae Dae" and the rear seat passenger behind him as "Deywon." Mr. Johnson stated both individuals fired multiple gunshots at him and Mr. Curry from the vehicle striking both of them.

At approximately 7:05 p.m., second shift Assault Detective Steve Miller #2238, acting as a blind administrator, presented photo array #11298 to Mr. Johnson at Children's Hospital. Mr. Johnson positively identified Daequan Brown as one of the individuals who fired gunshots from the silver vehicle in his direction the day before.

At approximately 8:40 p.m., Detective Nolan made contact with **VALERIE BROWN**, the mother of Daequan Brown and asked if she could make her son available for an interview and give his accounts of the incident. Ms. Brown stated she did not know where her son was and had no way to contact him. Detective Nolan called Ms. Brown back at approximately 9:45 p.m., and she was still unable to locate her son, for an interview. Ms. Brown stated that Daequan does not sleep at her house every night and she didn't know when she would see him again. As a result Detective Nolan filed two (2) counts of Felonious Assault on Daequan Brown.

On October 19, 2016, at approximately 4:10 p.m., Detective Adam Federer #1432 created Photo Array #11305 that had the photograph of **DEY-WON VINSON**, the alleged second shooter in the case per Marques Johnson.

At approximately 5:50 p.m., Detective Matt Liford #2182 presented Columbus Police Data Works Photo Array #11305 to Marques Johnson, Jr. Mr. Johnson circled, signed and dated photograph #1, Dey-won Vinson. Mr. Johnson explained to Detective Liford that Mr. Vinson was in the back passenger's seat shooting.

At approximately 7:59 p.m., Detective Nolan attempted to call **TARITA CARTER**, the mother of Dey-won Vinson to attempt an interview. There was no answer and Detective Nolan left a message for her to return the call.

At approximately 12:56 p.m., Detective Nolan called Tarita Carter again to set up an interview with her son, Dey-won Vinson. Ms. Vinson stated that she does not have a phone number for Dey-Won and that he was not home and does not come home every night. Ms. Carter also stated that the rumors about the shooting were just going around Facebook. Ms. Carter added that her

son, Dey-won Vinson, was not at school today and she has no idea when she will see him. Ms. Carter ended the recorded phone conversation.

During the course of the investigation Detective Nolan learned from Deanna King, Leah King, and Kourtney Butcher that the Facebook account for Daequan Brown is "**DaeDae Rip Twan**". It was also learned from Leah King and Deanna King that Dey-won Vinson is using "**Deywon Rip Bally**" as his Facebook account. Columbus Police Crime Analyst Amber Gill was able to locate two (2) other accounts that Deywon Vison uses on Facebook. The first "**Deywon Ripbally**" and the second "**Deywon Vinson**".

According to witnesses at scene Mr. Vinson and Mr. Brown may have posted to Facebook prior to the shooting about being in the area and "Airing it out" in reference to shooting. It was also said by witnesses at scene that they knew "**The Ops**" were coming because of posts on Facebook. The Ops is in reference to people not from the area.

The affiant requests Facebook Law Enforcement Response Team, 1601 Willow Road, Menlo Park, CA 94025 provide all the requested information to investigating detectives.

This search warrant is being requested to retrieve the information from Facebook to further the investigation of this Felonious Assault, Section 2903.11 (A-2). In lieu of returning evidence/property obtained with this warrant, the affiant requests authorization to retain such evidence/property in the Columbus Police Department Storage Room Facility or Forensic Crime Laboratory.
