RE: California Public Records Request
Agency Training/Manuals/Policies for the use of FLOCK Safety Products

To Whom It May Concern:

This is in response to the PRA request received March 19, 2024, for training materials, manuals, policies and procedures for Flock Safety Products. Attached is the Elk Grove Police Department policy on License Plate Readers. We have confirmed with our Training Unit, that we do not have any training documents/procedures for ALPR training.

Please let me know if you have any questions.
