Subject: 24-25353

Good morning, Deputy Schrager,

In reference to the above case, Item 1075.31 – birth cert. for Roxy Nevaeha Campbell, is correctly listed on the Evidence sheet. However, the pink Evidence sticker on the packaging has the item is 1075.30. Please advise if I have permission to change the item number on the pink evidence sticker to 1075.31? Thank you.
